

DUNEDIN BUS SERVICES ARE CHANGING

Improved Saturday frequencies and routes for the Dunedin bus network run from Saturday 28 January 2012

The new routes and services will mean more travel options to and from many Dunedin suburbs and the centre of the city

Key changes

- New Saturday timetables running to an hourly schedule except for these routes: Port Chalmers; Peninsula; Mosgiel - Fairfield; Brighton - Abbotsford - Green Island
- On Saturdays, 13 direct services will now run to a weekday route, replacing seven Saturday loop services
- Most of the new Saturday routes travel from the suburb into the centre of town, either the Octagon or University, then return to the suburb
- More Mosgiel and Brighton services on weekdays
- Seven additional Sunday services (up from three) on the Mosgiel-Dunedin route.
