

Mayor Mayoress for each of the community board to support wellbeing.

The new community boards will need to consider a figurehead to chair and bring together interested group to support the Fire chief, district health nurse, community police, school principal, Iwi, others, this will give each community an identity as the government introduces sweeping change.

Key words: x men, the old plan has never changed, body parts, help, the end of people being misled, others.....

Mythology Folklore, tradition Myth's,

Methodology Practice, Method, Practice

This will save the 1.9 billion being missed used for mental wellness.

Problem: If anyone has an idea, they all get missed led because there is not any local leadership, all put on hold until the dust settles. The plan to supersede all and charge more as the plan is put in place. implement the plan please.

Answer: They need to support the correct change: Separate the community boards as stated. The southern Electorate should be the new order for change. The master mine Cromwell will enjoy its new community Waitaki.
