My submission is

1/ There doesn't seem to be a specific provision to which this submission relates

2/ I seek an amendment to the land and fresh water section ( see below )

3/ I cannot find any mention of mineral extraction with suction dredging.

4/ I seek the following decision from the local authority.

That suction dredging be recognised as being an activity that will be carried out in the wet bed of some rivers.

That when considering the effect of suction dredging on the wet bed reasonable obtainable parameters are set ,as in section 13.5.1.5 of the current regional plan 2014
