The specific parts of the application/s that my submission relates to are: (Give details)

contamination of wild life (Fish, Bird, Plants, People, water for Farm animals)
The Threat to the Beach, Swimming, Fishing Surf club once again Fish & Birds summer time Thousands of People with Family

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I oppose what D.C.C. want to do when I came to Ocean View & Byn in The 70's The river was an open sewer years & work has it cleaned up why would anyone in their right mind want to risk the pos. to undo it.

The D.C.C. members are employed to make decisions for the better: so when this many residents so strongly oppose what they want to do take note this is not a Dictatorship.

Brighton over all is very popular year round. Summer thousands come to the Beach as families

The chance small or large to go wrong no I wish you to cancel even the thought of what the D.C.C. want to do

you can walk away if it goes wrong we have to live with it.

I feel the future of Ocean View, Brighton & the people who enjoy here are in danger to loose it all
