The specific parts of the application/s that my submission relates to are: (Give details)

The potential contamination of The Otokia stream → "Assessment report on environmental effect"

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I live near the corner/junction of Big Stone Rd, and running a personal project of carbon sequestration. I have 2 specific concerns 1- the likelihood of contamination of the Otokia streams: this is ~~very~~ a direct detriment to my project as it will affect flora and fauna

Thus affecting ~~the~~ pollution of plants
in my project.

2 The increase of heavy transport
will affect the air quality near my
residence. I measure the quality of my
tap/water and will be sure
there will be more particles of lead and
other fine particles in it. This is
the water I use for consumption.

When I purchased my house the
LHM report did not state anything
about this project, which would have
affected my decision to buy.

Thank you

Ed
