My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I am a local resident and I oppose this application.

It puts our environment and people at risk. We enjoy using the beach and Otokia creek year long.

Where the landfill site is at the headwaters of Otokia creek, I would not feel safe for my children family or the rest of our community to use with the potential environmental impact it will have on human and wildlife.

I/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

Please do not give consent

Find a better location, this will be hard on our community and the environment

 Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.
