Discharge Permit to discharge waste and leachate onto land and discharge water within the Otokia Creek

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

I oppose a rubbish dump on Big Stone Road, in the gully above Otokia Creek, specifically I oppose the application to discharge waste and leachate onto the land and discharge into the Otokia Creek where the water will flow into the sea affecting the sea life and my personal enjoyment of this beautiful beach. Brighton Beach is known for its rock pools and is often the first introduction to all the sea life in the pools for many children in Dunedin. Further polluting our ocean is not in line with current thinking. I believe the application and planning for this Dump to be out dated.

I/We seek the following decision from the consent authority *(give precise details, including the general nature of any conditions sought)*

To reconsider this application.

I/we:

- Wish to be heard in support of our/my submission
 Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.
