I wish to **OPPOSE** the application of:

Applicant's Name: DCC

And/or Organisation:

Application Number: RM20-280

Location:

Smooth Hill Landfill

Purpose:

The specific parts of the application/s that my submission relates to are: *(Give details)*

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

I object wholly to this application for a new landfill at Smooth Hill outside Brighton, on extensive environmental, amenity, food safety, community wellbeing, biodiversity, water quality, odour, traffic safety, and aviation safety grounds, as detailed in other submissions made on behalf of the Brighton Community where I live, and have enjoyed the clean, fresh and safe environment for nearly two decades. I'd like my family, friends, visitors and myself to be able to continue to enjoy clean water both in the Otokia Ck, and the Brighton Beach surf, where we swim regularly. This seems a very

peculiar, archaic step for our elected representatives to be trying to push through given the concerns about freshwater quality, and measures currently pending from ORC regarding enhancing and protecting that quality.

I/We seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)

I'd urge ORC not to allow this application to pass in any form whatsoever, necessitating DCC finding a suitable, environmentally sustainable alternative to waste issues elsewhere in the district, well away from human settlement.

I/we:

- Do not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.

- No

I, **am not** (choose one) a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

**If trade competitor chosen, please complete the next statement, otherwise leave blank.*

I, **am** (choose one) directly affected by an effect as a result of the proposed activity in the application that:

- a) adversely affects the environment; and
b) does not relate to trade competition or the effects of trade competition.

I, **do not** (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.

I **do** request* that the local authority delegates its functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.

I **have** served a copy of my submission on the applicant.
