Note to person making further submission

Please note that your further submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the further submission (or part of the submission):

- it is frivolous or vexatious:
- it discloses no reasonable or relevant case:
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further:
- it contains offensive language:
- it is supported only by material that purports to be independent expert evidence but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

These two pages are for information and are not part of the Form and can be deleted when submitting to ORC and Original Submitters.

Further Submission Form 6 commences on the next page.

I support the submission of:

Wise Response RPS21_00509

NOTE: Please use a new further submission form for each different original submission you support/oppose

The particular parts of the submission I support (or oppose) are:

Original submission point number	Support OR Oppose	The reasons for my support are:	I seek that the whole (or part [describe part]) of the submission be allowed (or disallowed): [Please state].
1	Support	This point reiterates the need to address the causes of environmental degradation, not simply the effects, by addressing inputs.	I seek that the whole of the submission be allowed.
2	Support	Net zero carbon should be the one of the principal goals of the RPS.	I seek that the whole of the submission be allowed.
3	Support	Environmental standards based on principals of ecology are an essential framework for basing policies and rules.	I seek that the whole of the submission be allowed.
4	Support	For above reason.	I seek that the whole of the submission be allowed.
5	Support	We oppose any strategy of 'focus on the best and forget the rest' and support the need to improve all water bodies.	I seek that the whole of the submission be allowed.
6	Support	Our current system cannot be used as a sustainable model as it requires a high level of fossil fuel energy to sustain it.	I seek that the whole of the submission be allowed.
7	Support	We support integrated landscape management being applied at Rohe level.	I seek that the whole of the submission be allowed.
8	Support	The RPS is minimalist in its consideration of its effect on climate change.	I seek that the whole of the submission be allowed.

b) All the suggested specific changes	Support	We particularly agree with the need to list the premises accepted as the basis for the RPS, such as the need to acknowledge the contradiction between economic growth and sustainability which is at the core of our environmental degradation problems.	I seek that the whole of the submission be allowed.
Note: Additional rows for each separate further submission point should be added as required.

NOTE: Please use a new further submission form for each different original submission you support/oppose

The particular parts of the submission I support (or oppose) are:

Original submission point number	Support OR Oppose	The reasons for my support are:	I seek that the whole (or part [describe part]) of the submission be allowed (or disallowed): [Please state].
13 a - c	Support	The pRPS makes no acknowledgement that in some catchments, particularly the Manuherikia, over allocation for irrigations has occurred and will require phasing out. The vision for the future therefore is not a truly sustainable one and will not meet the requirements of the NES FM.	I seek that the whole of the submission be allowed.
14 d - l	Support	These amendments are necessary for the RPS to provide a framework for the RLWP to meet the NES FM and NPS Biodiversity.	I seek that the whole of the submission be allowed
8 Proposed amendments	Support	These amendments are necessary for the RPS to provide a framework for the RLWP to meet the NES FM and NPS Biodiversity.	I seek that the whole of the submission be allowed
