Submitter No	Submitter	Add1	Add2	Add3	Add4	Add5	Add6	Submissions Summary	Received Date	To Be Heard	Status
1.	Matthew Anthony York		33 Bedford Parade	Brighton	Dunedin	9035	NZ	Concerned that not enough evidence that Otokia Creek will not be affected	11/10/2021	No	Opposed
2.	Ronald Julien King		29 Dunblane Street	Maor Hill	Dunedin	9010	NZ	Concerns regarding Fire Control, Odour, Dust, Birds, Seclusion, Opening Hours and Structural	08/10/2021	Yes	Neutral
3.	Brittany Laing		16 Berwick Street		Wakari	9010	NZ	Concerned regarding the affect on Brighton community - their land, their air and local water bodies	24/10/2021	Yes	Opposed
4.	Lisa Bosshard							Concerns about environmental impact of the dump - should be pushed back to Council to come up with some better options. Asks that new law and ethics of accepting the proposal and potential harm to environment	24/10/2021	Yes	Opposed
5.	Rhonda Wilson		804 Brighton Road		Brighton	9035	NZ	No consultation with community, concerned that it will leach into the surrounding wetland and contaminate Otakai Steam and eventually Brighton Bay putting a unique environment at risk	28/10/2021	No	Opposed
6.	Daniel Blair		34 Scurr Road	Saddle Hill	Dunedin	9076	NZ	Concerned with the affect on Otakai Stream, that the resource will be	29/10/2021	Yes	Opposed

								damaged and become unavailable or dangerous to use			
7.	Tracy and Matthew de Woeps		57 Heriot Row	North Dunedin	Dunedin	9016	NZ	Concerned with impact on coastal regional and impact on swimming beat at Brighton	31/10/2021	No	Opposed
8.	Richard James McIntosh		12 Bedford Parade	Brighton	Dunedin	9025	NZ	Proposal does not adhere to environmental standards. Concerned with the impact on water ways	01/11/2021	No	Opposed
9.	Sharon Leitch		233 Highgate	Roslyn	Dunedin	9010	NZ	Concerned about the impact on the quality of the environment at Brighton Beach	01/11/2021	No	Opposed
10.	Dr. Karsten Schneider		12 Bedford Parade		Dunedin	9035	NZ	Concerned as the applicant has disregarded NESFW, rushing the application process by disregarding more recent environmental evidence, long term risks of leachate contamination	01/11/2021	No	Opposed
11.	Fredric Michael Patrick		91 Sinnott Road		Greymouth	7805	NZ	Insufficient technological information upon which to approve consents, in the main the geotechnical information	01/11/2021	No	Neutral
12.	Elizabeth Cotton							Opposes due to environmental effects on the greater Brighton area - south west prevailing wind from site blows toward Brighton. Concerned with impact on Otokai water way flows and water quality	02/11/2021	No	Opposed

13.	Leanne Stenhouse		18 Scroggs Hill Road	Brighton	Dunedin	9035	NZ	Concerned about the risk of contamination and reduced flow to the Otokai Creek, application does not align with the NSFW, damage to wildlife and wetlands, risk of further pollution caused by Akatore fault	02/11/2021	Yes	Opposed
14.	Rebecca Aburn representing Brighton Surf Lifesaving Club				Brighton		NZ	Concerns regarding contamination of Otokai Creek and the affects on beach use as a result, proposal does not meet the NSFW	02/11/2021	Yes	Opposed
15.	Gavin Hartley		54 Bennett Road	Ocean View	Dunedin	9035	NZ	Supports as benefits out weight the potential for damage to environment	02/11/2021	No	Support
16.	Brian Peat							Concerns regarding the increase of bird life in the area, would like information on why the landfill is not located on flat land	02/11/2021	No	Neutral
17.	G L & E G McLeod Family Trust		748 Taieri Mouth Road	RD 1	Brighton	9091	NZ	Objects to encroachment on family owned land that is adjacent to proposed site, devalues property, increased risk of fire and probability of plastic and other air borne rubbish putting grazing stock at risk, increase of scavenger birds	29/10/2021	No	Opposed
18.	Keara Brownlie		110 Taieri Mouth Road		Dunedin	9091	NZ	Opposes on grounds of the risk of contamination and reduced flow at Otokai Creek Estuary.	04/11/2021	No	Opposed

								Also due to high value of wetland areas and need for their protection			
19.	James O'Mahony		22 Big Stone Road		Brighton	9091	NZ	Concerned about fire risk	07/11/2021	No	Opposed
20.	Ernest Jefferson Munro		59 Severn Street		Green Island	9018	NZ	Concerns about pollution of Otokai Creek, risk fire and bird strike risk to planes coming from and to Dunedin Airport	08/11/2021	No	Opposed
21.	Enfield Holdings Limited		12a Gladstone Road North		Mosgiel	9024	NZ	Concerns about increased bird activity within 13km of Dunedin airport	08/11/2021	No	Opposed
22.	Gerard Closs		17 Ferntree Drive	Wakari	Dunedin	9010	NZ	Concerned with regard to the long term inter-generational legacy of pollution does not meet NPSF	09/11/2021	Yes	Opposed
23.	Scott, Justine, Thomas and George Weatherall		60 Scrogg's Hill Road	Brighton	Dunedin	9035	NZ	Concerned about potential pollution of Otokai Creek and Brighton Beach - change of purpose of what is a very special area - potential significant fire	09/11/2021	Yes	Opposed
24.	Saddle Hill Community Board	C/- Chairman Scott Weatherall	60 Scrogg's Hill Road	Brighton	Dunedin	9035	NZ	Concerned about lack of communication with the community, change to area, risk of bird strike and the risk of contamination entering Otokai Creek, fire risk	09/11/2021	Yes	Opposed
25.	Richard Davison		40 Scroggs Hill Road	Brighton	Dunedin	9035	NZ	Objects to extensive environment, amenity, food safety, community wellbeing, biodiversity, water quality, odour,	09/11/2021	No	Opposed

								traffic safety and aviation safety			
26.	Debbie Willocks and Robert Norman		18 Rimu Lane	Dunedin	Dunedin	9305	NZ	Concerned about the impact on the beach and property's value	10/11/2021	No	Opposed
27.	New Zealand Air Line Pilots Association		PO Box 53183	Auckland Airport		2150	NZ	Concerned about the risk of bird strike Dunedin Airport already has an elevated bird hazard risk and believes the landfill site will significantly exacerbate the problem	10/11/2021		Opposed
28.	Michele Carol Laredo-Richardson		6 Kamura Street	Tainui	Dunedin	9013	NZ	Opposes the discharge of waste and leachate onto land discharge to Otokai Creek where the water will flow affecting sea life	10/11/2021	No	Opposed
29.	Chairperson/Mosgiel-Taieri Community Board		27B Irvine Street		Mosgiel	9027	NZ	Neutral but wish to highlight concerns about additional traffic and ensuring appropriate mitigation measures are in place to avoid contamination should a natural disaster occur	11/11/2021	No	Neutral
30.	Lorraine Mary Marlow		22 Seaview Road		Brighton	9035	NZ	Concerns about the pollution and follow up destruction of Brighton beach and creek by toxic water	11/11/2021	No	Opposed
31.	Julie Anne Macmillan		62 Russell Street		Dunedin	9016	NZ	Concerned with the risk of leachate contaminating swimming at the beach	11/11/2021	No	Opposed
32.	Anthony Ivor Reeder		978 Taieri Mouth Road	RD 1	Brighton	9091	NZ	Concerned with the long-term negative social and behavioural	13/11/2021	No	Opposed

								consequences			
33.	Karen Ann Philip		1002 Brighton Road	Brighton	Duneidn	9035	NZ	Concerned with destruction of indigenous vegetation, wetland, health of water along with disturbing the habitat of native wildlife. Also concerned with water, air and land pollution and increased road activity	13/11/2021	No	Opposed
34.	Wynn Owen		16 Bennett road	ocean view	Duneidn	9035	NZ	Concerned with risk of pollutants/contaminants leaching into creek and coastal areas, welfare of wetlands. Does not meet NESF	13/11/2021	No	Opposed
35.	Liz Owen		16 Bennett Road	Ocean View	Duneidn	9035	NZ	Concerned with risk of contaminants to the Creek, pollution of the sea, destruction of wetlands negative impact on lifestyle, contrary to NESF	13/11/2021	No	Opposed
36.	David Murray Hanan		82 McDonnell Road	Rapid 82	Arrowtown	9371	NZ	Socially it is not wanted, Culturally at odds from Iwi values of Kaitiakitanga. Environmental setting and the ability to control discharges is highly dubious at best. Economically – not sustainable – Alternatives available which have not been explored (1992 Landfill Futures report is irrelevant)	13/11/2021	No	Opposed
37.	Dunedin		123 Vogel	PO Box 143	Dunedin	9054	NZ	Bird Strike	11/11/2021	Yes	Opposed

	International Airport Limited C/- Gallaway Cook Allan		Street								
38.	Brian John Chalmers							Concerns with 1. Water Contamination 2. Air Contamination 3. Reduction in Quality of Life 4. Geo technical (Earthquake risk) 5. Aviation Risk	14/11/2021	Yes	Opposed
39.	Lorraine Frances Gabanski							Concerned with Water Contamination, Bird Strike, Air Contamination and Reduction in Quality of Life	14/11/2021	No	Opposed
40.	Elise Velenski							Concerned with pollution to Otokia Creek and Brighton Beach, risk of fire and bird strike, adverse affect on local iwi,	14/11/2021	Yes	Opposed
41.	Maria Sydor							Doesn't comply with NESF, site hasn't been evaluated since 1992 and lots changed since then,. Earthquake risk not considered, risk of fire, loss of wetlands, sea-fog will trap smell, adverse effect on underground streams, risk of leachate, too close of airport and residential area	14/11/2021	No	Opposed
42.	Morris, Wayne and Gillian							Concerned with negative effects on lifestyle and wetlands, and lack of monitoring	15/11/2021	Yes	Opposed

								environmental effects by DCC			
43.	Granger, Antony James and Michelle Anne		PO Box 44447		Mosgiel	9053	NZ	Seek to make a neutral submission with conditions regarding: sealing of McLaren Gully Road and Big Stone Road, mitigation of fire risk, predator-free fencing, covering rubbish at end of day, operating hours, quick removal of illegally dumped waste, and Council to accept liability and cost for damage to neighbouring property and trees, and due to adverse effect on property prices the submitter seeks consent to subdivide their property into 2 hectare lots with ability to put house dwellings as compensation	15/11/2021	Yes	Neutral
44.	Becky Lawrence		10 McIntosh Road	Brighton	Duneidn	9035	NZ	Concerns over negative impact on water quality, air quality, wildlife, ecosystems, noise, loss of natural beauty and increased traffic. Assessment carried out 29 years ago and area has since changed	14/11/2021	No	Opposed
45.	Craig Stuart Standing							Concerns with minimum separation distance of landfill from residences and this not being recorded in the LIM report, pollution to	15/11/2021	Yes	Opposed

								Otokia Creek and Brighton Beach, and increased fire risk			
46.	Viktoría Kahui		3 Wells Street	Brighton	Duneidn	9035	NZ	Concerns with leachate to the Creek, effect of pollution on water, wildlife, habitat and coast. EIA is outdated and should use LSF. No consideration of social wellbeing. Negative effects of Akatore Fault-line. Consideration of alternative site insufficient.	14/11/2021	Yes	Opposed
47.	Bell, Richard and Rebecca		PO Box 13095	Green Island	Dunedin	9052	NZ	Concerns with lack of information and property value decreases, environmental impacts, pollutants leaching to water, negative impacts to endangered wildlife, odour, perception and value of image, birdstrike, freshwater guidelines	15/11/2021	Yes	Opposed
48.	Trish Chaplin-Cheyne and Marty Cheyne		PO Box 13088	Green Island	Duneidn	9018	NZ	contrary to NESF, concerned with affect on Ecology (wildlife, habitat) and Bird Strike	14/11/2021	Yes	Opposed
49.	Stephen William Bennett		14 Bedford Parade	Brighton	Dunedin	9035	NZ	Concerned with Fire risk, contaminants in water and land (beach), loss of fish, bird strike, Akatore Fault, impact on Falcons and outdated investigation.	14/11/2021	No	Opposed
50.	Glenys Joy Bennett		14 Bedford Parade	Brighton	Duneidn	9035	NZ	Concerned with contaminants into sea, fire risk, bird strike,	14/11/2021	No	Opposed

								impact on native birds, Akatore Fault and outdated investigation			
51.	Andrew David Hutcheon		197 McIntosh Road	Brighton	Duneidn		NZ	Concerned with discharge of waste and leachate to water and land, discharge of gas and odour to air. Concerned that tool used to obtain flood flows doesn't properly capture high and low flow regimes. Seismic risk not properly assessed. Negative impact on skinks as increase of rodents at landfill leads to increased feral cats and mustelids. Risk to NZ Falcons due to loss of habitat. Bird Strike	14/11/2021	Yes	Opposed
52.	Director General of Conservation - Use for Ltd & Publicly Notified Consents		Private Bag 4715		Christchurch	8140	NZ	Seek to make a neutral submission but if consents are granted then conditions should be required to protect conservation values, including water level monitoring in wetlands, water quality and fish and invertebrate surveys, wetland health monitoring, ecological management plans, and provision to review consents if adverse environmental effects detected	15/11/2021	No	Neutral
53.	Jennifer Alice Rose McLeod and Peter		68 Big Stone Road	Brighton	Duneidn	9091	NZ	Concerned with detrimental effect on	14/11/2021	No	Opposed

	Andrew McLeod							property value, water quality, poisoned seagulls to their lifestyle block which would be harmful to livestock. Detrimental effect to wetlands and water quality, increased risk of fire. Deeply concerned about loss of land for road construction and waste blowing on to their property - who is responsible for cleaning.			
54.	Joshua George McLeod		68 Big Stone Road	Brighton	Duneidn	9091	NZ	Concerned amount of groundwater to be taken from Otokia catchment, pollution of Otokia Creek/Stream, loss of wetland, loss of habitat and wildlife.	14/11/2021	Yes	Opposed
55.	Linda Reynolds							Concerned with water take and development affecting wetland, creek disturbance, effect of releasing effluent to local area, degradation of local environment, risk of birdstrike	15/11/2021	No	Opposed
56.	Ōtokia Creek and Marsh Habitat Trust		25 Bath Street	Brighton	Duneidn	9035	NZ	Concerned ecological effects on wetlands are underestimated, critical of the EIANZ approach, negative impact on native aquatic life from leachate, leachate inadequately assessed and lack of long term water monitoring, Climate change not considered, fault lines	14/11/2021	Yes	Opposed

								not identified and long term effects of water pollutants which wont degrade.			
57.	Vianney Santagati							Concerned with loss of wetlands, position of landfill in a waterway and leachate running through Otokia Stream to Brighton Beach, loss of amenity and community enjoyment of Brighton Beach, lack of fire plan	15/11/2021	Yes	Opposed
58.	John William Finlayson		12 Taylor Street	Brighton	Duneidn	9035	NZ	Concerned that the application assessment was done in 1990s so is outdated, discharge of waste and leachate onto land and Otokia Creek, degradation of Otokia Creek (wildlife and habitat), destruction of wetlands, bird strike. Concerned that DCC have hastily submitted application in an attempt to get it non-notified and not too much scrutiny.	14/11/2021	Yes	Opposed
59.	Judd, Stephanie Ann and Blair Ronald							Concerns with risk of leachate to Otokia Creek and Brighton Beach, fire risk, odours, increased risk of bird strike, LIM report did not refer to landfill designation near residence	15/11/2021	Yes	Opposed
60.	Hans and Renate Scholz		56 Highland Road	Brighton	Duneidn	9091	NZ	Concerned with discharge of waste and	14/11/2021	No	Opposed

								leachate to land specifically beach. Concerned application was rushed so not affected by legislation change			
61.	South Coast Neighbourhood Society Incorporated							Concerned with leachate escaping into Otokia Creek and out to sea, negative impact on Otokia Creek, Wetlands, Brighton Beach and wider community, fire risk, bird strike risk, risk to Native Eastern Falcon and lizard habitat, odour, reduced flow in Otokia Catchment, application does not align with NES for Freshwater	15/11/2021	Yes	Opposed
62.	Kenneth Fleck		5 Wells Street	Brighton	Duneidn	9035	NZ	Concerned about leachate to creek, smell, recreation on creek, damage to fish, bird strike, application submitted 4 days prior to change in NZ policy prohibiting this activity.	14/11/2021	No	Opposed
63.	Kim Fleck		5 Wells Street	Brighton	Duneidn	9035	NZ	Concerned with Environmental degradation (odour, noise, leachate), Effects of climate change (high rain fall events), Personal well-being (social impact), Negative effect on bird and fish life, Bird Strike	14/11/2021	No	Opposed
64.	Joseph William Hancock		13 McIntosh Road	Brighton	Duneidn	9035	NZ	Concerns with leachate into Okokia Creek and	14/11/2021	No	Opposed

								Brighton beach, odour, bird strike, extra traffic, fire risk and contrary to NESF			
65.	Pip Early		10 McIntosh Road	Brighton	Duneidn	9035	NZ	Concerned with degradation of Otokia waterway, traffic volume, fire risk	11/11/2021	Yes	Opposed
66.	William Early		10 McIntosh Road	Brighton	Duneidn	9035	NZ	Concerned with degradation of Otokia waterway, traffic volume, fire risk	11/11/2021	Yes	Opposed
67.	Brooke Searle		939 Taieri Mouth Road	Kuri Bush	Duneidn	9091	NZ	Potential protected site for ancient kelp forest (Uni Otago research study being carried out). Concerned with damage to protected bush 3km from property from discharge of leachate and waste	11/11/2021	Yes	Opposed
68.	Patricia Elizabeth Clare Lindsay		412 Lorneville-Dacre Road	RD 6	Invercargill	9876	NZ	Concerned with leachate to creek and beach, loss of recreation at beach and creek, loss of wetlands, is not aligned with ORC Local Governance Statement 2020 and ORC objectives.	11/11/2021	No	Opposed
69.	Colin Leslie Weatherall		1118 Brighton Road	Brighton	Dunedin	9035	NZ	Concerns about the impact on the environment and	12/11/2021	Yes	Opposed
70.	Paula Lee Hasler with support of Cycling Otago Inc		12 Tasman Street	Pine Hill	Dunedin	9010	NZ	Concerned about negative impact on recreational users of the roads and the impact on the environment, natural landscape and character	12/11/2021	No	Opposed

71.	Andrea Helen McMillan		291 Big Stone Road	RD 1	Brighton	9091	NZ	Concerned about leachate and waste water entering freshwater source leading to Brighton Beach which would have been ruled out by NES for freshwater taking effect 4 days later, risk of birdstrike, discharges hazardous to wildlife and enjoyment of area, including native wildlife, fire risk, earthquake risk with potential for contamination of waterways, removal of scarce water from area, loss of wetlands and habitat, impact on health and wellbeing of community	15/11/2021	Yes	Opposed
72.	Michelle Lobo		16 Taieri Mouth Road	RD 1, Brighton	Dunedin	9091	NZ	Concerned with pollution of tank water collected from roofs, draining of wetland, pollution of Otokia Creek, negative impact on community enjoyment of area, impact on flora and fauna including native NZ falcons	15/11/2021	Yes	Opposed
73.	Simon Charles Hart		291 Big Stone Road	RD 1	Brighton	9091	NZ	Concerned about leachate and waste water entering waterway that leads to Brighton Beach, impact of water take on flora and wildlife, fire risk, bird strike, social impact assessment considered	15/11/2021	No	Opposed

								only jobs and not health and wellbeing of community, increased traffic, proposal info not included in LIM report, negative impact on enjoyment of local area			
74.	Adrian Green on behalf of Saffhill Forestry Estates Limited		PO Box 28 950	Remuera	Auckland		NZ	Concerned about the possibility of losing significant areas of trees if required to set back 10m from new road formation	12/11/2021	Yes	Neutral
75.	Big Stone Forest Limited C/- Gallaway Cook Allan							Concerned about adverse effects on hydrology and water quality, habitat and indigenous biodiversity, fire risk, domestic water supplies, amenity of neighbouring properties from nuisances including odour, dust, pests, noise and contaminants; rural character, amenity and wellbeing; LIM report did not identify the landfill designation as being relevant to that land	15/11/2021	Yes	Opposed
76.	William Leonard Leith		29 Bennett Road	Ocean View	Dunedin	9035	NZ	Concerned with potential impact on local environment, proximity to Otokia Creek which leads to Brighton Beach and runs through swamp lands with protected wildlife, proposal does not take into account changes in population of Brighton area and scientific progress since	15/11/2021	No	Opposed

								this site was selected in the 1990s.			
77.	Ailsa and Keith Lucking		60 Big Stone Road	Brighton	Dunedin	9091	NZ	Concerned with water and soil contamination, risk of fire and devastation of NZ Falcons	12/11/2021	Yes	Opposed
78.	Al Duncan		850 Brighton Road	Ocean View	Dunedin	9035	NZ	Concerned with contamination, pollution and general damage to the natural surroundings	12/11/2021	No	Opposed
79.	Cavan Bruce Jenkinson		232 Taieri Mouth Road		Brighton	9091	NZ	Concerned with risk of spreading salmonella Enteritidis due to proximity to migration path of seagulls and other bird life; negative impact on wetland	15/11/2021	Yes	Opposed
80.	Alan Tom Brown		7 Northview Crescent	Belleknowes	Dunedin	9011	NZ	Concerned with contamination, assessment of environmental effects, ecology, effects on wildlife.	12/11/2021	No	Opposed
81.	Alexis Brown		20 Scroggs Hill Road	Brighton	Dunedin	9035	NZ	contamination, species loss	12/11/2021	Yes	Opposed
82.	Peter James Cheyne		1106 Brighton Road	Brighton	Dunedin	9035	NZ	Concerned about negative impact to water quality of Otokia stream and Brighton Beach; impact on residents and recreation in local area; proximity to airport with bird hazards	15/11/2021	No	Opposed
83.	Andrew Raymond Peet		800 Brighton Road	Brighton	Dunedin	9035	NZ	concerned with rubbish trucks on the roads and pollution to rivers and	12/11/2021	Yes	Opposed

								ocean			
84.	Anne-Marie Watson		270 Blackhead Road	RD 1	Dunedin	9076	NZ	concerned with water quality, damage to the environment and negative effect on wildlife	12/11/2021	Yes	Opposed
85.	Annie Robinson		22 John Street	Ocean View	Dunedin	9035	NZ	concerned about water quality at Brighton beach and the Creek	12/11/2021	No	Opposed
86.	James Molloy		9 Michie Street	Belleknowes	Dunedin	9011	NZ	Concerned with risk of releasing hazardous materials in a significant seismic event- the seismic design for the project including land fill liner appears to have been based on NZS1170 Part 0 Importance 'Level 3' seismic design criteria, but it may be more appropriate to design to Importance NZS1170 Part 0 'Level 4' seismic design criteria	15/11/2021	Yes	Neutral
87.	Anthony Wendell York		35 Bedford Parade	Brighton	Dunedin	9035	NZ	concerned with negative downstream effects and pollution specifically to Brighton Beach and Otaka Creek	12/11/2021	No	Opposed
88.	Otago Aero Club		PO Box 25		Mosgiel	9053	NZ	Concerned about increased bird activity which will reduce aviation safety; also in support of the D.I.A.L. submission	15/11/2021	No	Opposed
89.	Te Runanga o Otakou Incorporated		45 Tamatea Road	Otakou	Dunedin	9077	NZ	In support with regards to low degree of	15/11/2021	Yes	Support

								connection of the site with Ōtokia Creek, together with the changes in design to reduce the impact of the activity on wetlands in the area; support is subject to the adoption of the mitigation measures proposed in the amended cultural impact assessment lodged as part of the application			
90.	Stephen Alan Chittock		45 Bedford Parade	Brighton	Dunedin	9035	NZ	Concerned with loss and pollution of wetlands; pollution of Otokia Creek, Brighton Beach and inshore fisheries	15/11/2021	Yes	Opposed
91.	Ingrid Leary M.P.		PO Box 2084		Dunedin	9044	NZ	Concerned with negative impact on on community and rural amenity; ecological risk to wetland habitat; negative effects on waterways and catchments; contaminant effects; landfill fire risk; air safety relating to bird infestations; mana whenua concerns	15/11/2021	Yes	Opposed
92.	Ingrid Leary M.P.		56 Melbourne Street	South Dunedin	Dunedin	9012	NZ	Concerned with negative impact on on community and rural amenity; ecological risk to wetland habitat; negative effects on	15/11/2021	Yes	Opposed

								waterways and catchments; contaminant effects; landfill fire risk; air safety relating to bird infestations; mana whenua concerns			
93.	Joanne Gail Henderson		8 McIntosh Road	Brighton	Dunedin	9035	NZ	Concerned about contamination of Brighton Beach and Otokia Creek, and impact on endangered wildlife species	15/11/2021	No	Opposed
94.	Suzanne Middleton		149 Shetland St		Dunedin	9010	NZ	Concerned about pollution of Otokia Stream and Brighton Estuary, impact on wildlife and native plants, DCC could be focussing on reducing waste, increasing composting and recycling rather than creating a new landfill	15/11/2021	No	Opposed
95.	Dr Rebecca Cumming		290 Otokia-Kuri Bush Road	RD 1	Brighton		NZ	Concerned about: decline of native flora and fauna; impact of leachate and contaminants on surrounding areas; bird strike at Dunedin airport; fire risk; increased traffic; increased dust and rubbish blowing off trailers; odour	15/11/2021	Yes	Opposed
96.	Simon Andrew Laing							Concerned that leachate	15/11/2021	Yes	Opposed

								contamination risk has not been adequately assessed; negative impact on general public perception of Otokia Creek as a safe place to swim; landfill liner has not been engineered with consideration for recent research by seismologists			
97.	Bruce and Lesley McMillan		24 Miners Terrace		Bannockburn	9384	NZ	Concerned that the discharge of contaminants into McColl/Otokai Creek will contaminate wetlands/ponds in the area, concerned where the ground water will come from, traffic on Big Stone Road and fire risk. Also has concerns about bird strike	12/11/2021	No	Opposed
98.	Sandra and Christian Rampe		513 Big Stone Road	Dunedin	Dunedin	9024	NZ	Opposes due to odour, increased traffic and associated noise, fire risk, water and air contamination, bird strike and contamination of Otokai Creek and then subsequently Brighton Beach	12/11/2021	No	Opposed
99.	Alistair McPhee		47 Bennett Road		Ocean View	9035	NZ	Concerned about the ecological and archaeological impact	12/11/2021	No	Opposed
100.	Benjamin Shayler		43 McIntosh Road	Brighton	Dunedin	9035	NZ	Water contamination at Brighton beach and Otaka Stream	12/11/2021	Yes	Opposed
101.	Brent Craik		48 Scroggs	Brighton	Dunedin	9035	NZ	pollution of waterways	12/11/2021	Yes	Opposed

			Hill Raod								
102.	Brian and Mandie Langley		26 Highland Road	RD1, Brighton	Dunedin	9091	NZ	incorrect naming of tender naming, risk of fires, pollution of waterways	12/11/2021	Yes	Opposed
103.	Res.Awesome Limited							Concerned about not meeting DCC commitment to Zero Waste and Carbon Zero by 2030; more modern innovation/technology could be used to manage waste; proposed site not suitable for groundwater take; negative impact on local ecosystems; impact of toxins and leachate on natural area and community/visitors/future generations	15/11/2021	Yes	Opposed
104.	Brian Allan Bolt		12 Hazel Avenue	Caversham	Dunedin	9012	NZ	concerned with pollution to waterways and beach, loss of recreation and wildlife	12/11/2021	Yes	Opposed
