Hi Myriam

No problem – thanks for coming back to me.  
Following on from my request, Ms Appleyard has now had another plan review hearing set down on Monday 13 March 2023, so we wondered if it would be possible to have CIAL's time slot on Tuesday 14 March 2023?  
If you were able to please confirm this that would be much appreciated (it is becoming quite a juggle for hearing time early next year!).  
Many thanks and happy to discuss if needed.

Kind regards

Kia ora Myriam

Thank you for sending through the Notice of Hearing.  
We act for Christchurch International Airport Ltd (submitter 0307) (CIAL). CIAL's submission will be heard in the "Energy, Infrastructure and Transport" session from 13-17 March 2023.  
Jo Appleyard from our office will be appearing for CIAL at the hearing. Due to other commitments she is only available on 13 and 14 March 2023, so could we please request a time slot for CIAL on either of those days? CIAL has two witnesses also appearing who have filed evidence.

Happy to discuss if you require any clarification.  
Kind regards / Ngā mihi
