1. Name of Further Submitter:

Waterfall Park Developments Limited ('WPDL')

Address for Service: C/- Brown & Company Planning Group, PO Box 1467,
QUEENSTOWN

Email: maddy@brownandcompany.co.nz

Contact Person: M Familton

Phone: 03 409 2258

2. This is a further submission in support of or opposition to submissions on the following:

Proposed Otago Regional Policy Statement – Freshwater Planning Instrument Parts

3. Status of Further Submitter:

WPDL has an interest in the proposal which is greater than the interest that the general public has and the submissions to which this further submission relates that is greater than the interest the general public has, for the following reasons:

- WPDL has made original submission on the proposal (Submitter FPI028) that addresses the same or similar subject matter as is addressed in the submissions to which this further submission relates.

4. WPDL makes the further submissions set out in the table included as Attachment A.

5. WPDL DOES wish to be heard in support of this further submission; and

6. If others make a similar submission, WPDL WILL consider presenting a joint case with them at the hearing.

Signature of Further Submitter

M Familton
16 February 2023
Authorised to sign on behalf of Waterfall Park Developments Limited

ATTACHMENT A

Original Submitter	Submission Number/Point	Support / Oppose	Reasons for Support / Opposition	Decision Sought by the Further Submitter
Fish & Game	FPI037.014	Support	These submission points are supported to the extent they seek amendments to LF-VM-O2 to provide for a consolidated set of outcomes for all rohe, where these outcomes would include improvements to water quality, where degraded, within the Dunstan rohe.	That these submissions are accepted to the extent that they are consistent with the relief sought in WPDL's original submission to provide for the improvement of water quality, where degraded, in the Dunstan rohe.
