Tēnā koe Neil,

**Decision on Resource Consent Application No. RM22.421 - Review of consent conditions for 2001.385.V3, 2001.386.V4 and 2001.398.V2**

I advise that a decision has been given on review of consent conditions for consents 2001.385.V3, 2001.386.V4 and 2001.398.V2. A copy of the staff recommending report is enclosed along with the consents.

**Reasons for decision**

These are set out at the end of the enclosed recommending report under the heading "Recommendation".

**Objection Rights**

Section 357 of the Resource Management Act 1991 provides you with the right to lodge an objection with the Council in respect of this decision and/or any associated conditions. Any such objection must be made in writing setting out the reasons for the objection and must be received by the Council within 15 working days of receiving this letter.

Alternatively, in accordance with s.120 of the Act, this decision is subject to a statutory right of appeal directly to the Environment Court, P O Box 2069, Christchurch, which must be lodged with the Environment Court and served on the Council within 15 working days of receiving this letter.

These resource consents have been granted on a non-notified application, therefore the consents commence on the date you receive this letter unless a condition in the consents states otherwise, or an appeal is lodged.

If an appeal is lodged the consents cannot be exercised until the Court has determined the appeal, or the appeal is withdrawn, or a determination of the Court states otherwise.

**Consent Charges**

At this stage the Council has not calculated the final costs of processing your application. Should the final costs exceed the deposit already paid, then as previously advised, you will be invoiced separately for these costs. Should the final costs be less than the deposit already paid then you will receive a refund.

**Compliance Fees and Charges**

Council's Environmental Services Unit will monitor your consents to ensure you have complied with the conditions of your consents.

A fees and charges brochure which explains what charges are applicable to your consents can be found at:

<https://www.orc.govt.nz/consents-and-compliance/ready-to-apply-for-a-consent/fees-and-charges>

If you have any query about these charges, please contact the Environmental Data Team at Council.

Please contact **Dwayne Daly** at this office should you require clarification of any matter relating to this decision letter.

Kā mihi,

Alexandra King
