I/ we wish to **SUPPORT / OPPOSE** / submit a **NEUTRAL** submission on (circle one) the application of:

Applicant's Name: Cold Gold Clutha Limited

And/or Organisation:

Application Number:

RM22.434

Location:

Clutha River

Purpose:

Gold Mining

The specific parts of the application/s that my submission relates to are: *(Give details)*

Dredging the Clutha River for gold as the action will disturb the bed of the Clutha River, discharge contaminants and also create noise pollution.

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).*

We oppose the application as there are precedents in other areas on the Clutha that demonstrate the negative impacts of this commercial operation. It will forever change the bed of the Clutha River while discharging contaminants from the engine and also clouding the water from the sediment that is discharged. This will negatively impact people who recreate, (kayak, fish, etc) on the river. It will

also set a precedent for future commercial endeavours on a river that should be protected. It is a national treasure.

I/We seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)

Please do not give consent to this business operation that will not only have an environmental impact on the very precious Clutha River but it will set a precedent for more dredging businesses to be allowed to alter the bed of the river and discharge pollutants.

I/we:

- Wish to be heard in support of our/my submission
- Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.
