

257 Beyond the scope - general

Name	Number	Position	Decision Requested	Reason for Decision Requested
Father Andrew Lewis	5	Not Applicable	Manufacture user-friendly, budget priced sisal range of ropes for local and national use.	Difficulty in finding rope to raise the national flag in one piece for signalling without knots.
B. F. McLachlan	6	Not Applicable	Fix the road at Taylors Creek Bridge, Ocean View.	There is a bump that creates noise disturbance for neighbouring property owners when vehicles go over it.
Alan Sandri	8	Not Applicable	<ul style="list-style-type: none"> • Stop rating people who will never use the stadium - or will never gain any benefit from it. • Adopt "user pays". 	<ul style="list-style-type: none"> • The stadium benefits only a few people at ratepayers cost. • Ratepayers should not be forced to pay for something they do not want or do not need.
Dr Mike Jennings	20	Amend	Include a review of ratepayers mineral prospecting rights within Otago in this or the next public submission.	<ul style="list-style-type: none"> • A case in point to loss of access to resources by this party [European New Zealanders descendants of British] is the 'miners right'. This access right to minerals has been removed from this population, without consultation or consent, and represents a loss of privilege and cultural mana under the Treaty. • The ORC has already moved into making substantial concessions historically in public agreements with recreational suction dredgers in Otago. This represents a cultural activity, which is presently under threat.
Glen Callanan	25	Amend	<ul style="list-style-type: none"> • Invercargill & Dunedin hospitals to stay, the rest to be scrapped or downsized. • Central Otago rowing club moved to be at Dairy Creek • CODC to consider a starting point for the Clyde Community Plan 	None given.
Lev Lafayette	62	Not Applicable	Suggest that the Council investigate the effects of switching from a net value rating systems (capital improved plus site value) to one which is based on site value alone.	Will lead to greater growth in employment, a smaller environmental footprint, and an improvement in the quality and quantity of housing and improved property.
Trevor Sangster	153	Not Applicable	Complete a continual North South State Highway 1 with off/exit ramps to service the City of Dunedin. Including noise protection barriers placed road side.	No specific reason given.
Trevor Sangster	153	Not Applicable	Commission a Sewerage Treatment Plant located close to State Highway 1, between Green Island & Saddle Hill. Providing reclaimed water for irrigation to the Taieri Farming Present, which in turn manages Dunedin's growth.	No specific reason given.
Trevor Sangster	153	Not Applicable	Work & engage with Southland to promote the Southern Scenic Route.	http://www.southernscenicroute.co.nz/ maximises its potential.
Trevor Sangster	153	Not Applicable	Provide direct International Air Travel to arrive & depart Dunedin Airport.	No specific reason given.
