

Council Workshop – Environmental Funding Model Review

Agenda

The workshop will be facilitated by Emma Hodgkin, Senior Associate, Frequency Ltd, with support from Libby Caldwell, Manager Environmental Implementation, ORC. Frequency Graduate, Marinah Rondel, will also be in attendance to support workshop delivery.

In preparation for the workshop, Councillors are asked to complete a Menti Survey, which outlines a range of questions and statements. This should take approximately 10 minutes to complete. **A QR code is included below** which provides a direct link to the survey that will need to be completed electronically on an iPad, tablet, phone or similar. The responses are directly and anonymously sent to the facilitators with the summary of findings and key discussion points fed into the workshop presentation.

The purpose of this survey is to obtain the thoughts and opinions of individual Councillors ahead of the workshop. Completing the survey ahead of the workshop, allows the facilitators to assess the level of alignment across Councillors in advance, allowing for a more structured discussion.

For the workshop to be most effective, Councillors are asked to **complete the survey by 5pm Sunday 20 October**. Should you have difficulty with the survey link, please contact Emma Hodgkin (emmah@frequency.nz) directly in the first instance. A paper copy is also provided in the attached paper, should Councillors encounter ongoing issues with the link. Paper copies should be **completed, scanned and emailed to Emma Hodgkin by 5pm Sunday 20 October**.
