

NOTICE OF SPRAYING OPERATIONS – EAST AND WEST TAIERI

Where:

Otago Regional Council scheduled drains and waterways in:

- **East and West Taieri**

Maps of the areas to be sprayed are available on ORC's website at

orc.govt.nz/TaieriSpraying24

When:

1 November 2024 to 15 June 2025.

Why:

This activity is carried out to keep the drains and waterways in our flood control and land drainage schemes free from vegetation build-up and control overgrown willows within the Taieri River.

Work will be carried out by ORC staff and external contractors.
