Your feedback

Please give us your feedback on the changes to the Navigation Safety Bylaw 2020, as outlined in the Draft Navigation Safety Bylaw 2026. What would you change? What do you support or not support?

How is this relevant to lake Dunstan? There is one boat about 12m long that anchors. How about the water park in Cromwell that is anchored for a long period of time in a prime spot in lake Dunstan? Completely a waste of resources and money! The boat the harbour master has got is just ridiculous why does he need rod holders who pay for this ????
