

Proposed variations to the Otago Southland Regional Land Transport Plans 2015-2021

Name of organisation (if applicable) H W Richardson Group Ltd

I wish / do not wish to speak in support of my submission in person I do not wish to speak

My submission is H W Richardson Group Ltd (HWR) submits on behalf of its subsidiary transport Companies, being major users of the Southland road network.

SH 1 Edendale realignment
HWR is supportive of this upgrade and notes it will significantly improve traffic safety once completed. Priority should be given to completing this project as soon as possible.

SH1 Elles Road Roundabout
HWR is supportive of this upgrade and notes it will significantly improve traffic safety once completed. Priority should be given to completing this project as soon as possible, noting that this intersection will be the subject of considerable heavy traffic movements and hence should be designed to accommodate such movement.
