

Submission on proposed variations to the Otago Southland Regional Land Transport Plan 2015 – 2021

Proposed variations to the Otago Southland Regional Land Transport Plans 2015-2021

Name of organisation (if applicable)

Ride Southland Group

My submission is

The report does not consider Ride Southland Group - our regional cycle strategy and our programme. Strategic synergy is required to ensure comprehensive consultation occurs.

Of the 29 projects listed in the report only three are in Southland.

Propose that variations and consultation is needed to the Otago Southland Regional Land Transport Plan to address the needs of cyclists in the southland region.
