**NOTES:**

Please attach any supporting documents (eg. Probate of Deceased's Will, Covering letter from solicitor) to this Transmission form. Personal details regarding the actual distribution of a deceased's estate to beneficiaries can be removed for privacy.

There is no charge for a Transmission to the Executor of the Estate. After the transmission is complete, the Executor then holds the consent and is able to transfer the consent to a new entity if they wish. If the consent does need transferred to a new entity, then Form 15 must be completed by the Executor and transferee, and include payment of the transfer deposit.
