10. MATTERS FOR COUNCIL DECISION

10.1. Health & Safety Report

The report summarised health and safety activities and incident statistics for the period since the September 2017 report.

A question was raised on the completion of SOPs for all work activities and the emphasis placed on assessment of the risk based tasks prior to completion.

Director People & Safety be asked to update A&R Subcommittee on whether high-risk tasks are evaluated separately to ascertain the specific risks or if SOPs are followed.

Discussion held on ORC H&S requirements, current culture of H&S in the organisation and the independent audit of our H&S practices.

Cr Woodhead noted a whole of organisation H&S report was undertaken two years ago. Mr Donnelly noted safety of all our flow sites has been reviewed and we have

safety related recommendations from that review to implement. Cr Scott requested regular independent audit of our organisation.

A schedule of planned audits was requested.

Discussion was held on the impact and monitoring of stress for staff and access to support services. Mrs Gardner advised confidential access to EAP is available to staff when required.

Discussion held on councillor access to remote access facilities. It was decided Councillors would be expected to attend Council and Committee meetings in person to ensure a quorum, but that workshop attendance via videoconferencing or audioconferencing is supported.

Cr Kempton queried what legislative constraints that will create and suggested new program called Nintex used for internal observations.

Resolution

That the Chief Executive be tasked with bringing a paper to next Finance & Corporate committee round on the employment of distance technology for governance attendance at ORC meetings.
