Otago and Southland RTC Chairs' foreword	1
Glossary of participating organisations, terms and acronyms	4
1 Introduction and summary	12
1.1 Purpose of these plans and the area they cover.....	12
1.2 Building on the progress made since 2015-16.....	15
1.3 What has been updated?	16
1.4 The thinking behind this update of the RLTPs	17
1.5 Summary of projected expenditure.....	20
2 The current situation, problems and opportunities	22
2.1 Characteristics of our economy and transport network	22
2.2 Drivers of change	29
2.3 The key problems facing our transport system	40
2.4 Opportunities.....	48
3 Strategy and policy for Otago Southland land transport	57
3.1 Introduction	57
3.2 Long-term goal and results.....	57
3.3 Benefits sought from the next three to ten years' RLTP investment.....	57
3.4 Land transport policies for the RTCs and AOs.....	60
3.5 The RTCs' advocacy programme	63
4 Proposed programmes of activities for 2018/19 to 2020/21	64
4.1 Projects with funding already approved, at May 2018.....	64
4.2 Descriptions of prioritised activities and projects for 2018-21	66
4.3 Full programme of transport activities and projects proposed for 2018-21	85
4.4 Other activities for 2018-21	123
4.5 Projects that the RTCs would like to see developed in future RLTPs	130
Appendices	131
Appendix 1. Clarifying the appropriate role for each transport mode	132
Appendix 2. Putting customers' voices and needs to the fore.....	137
Appendix 3. Measuring the success of the programme against the strategy	138
Appendix 4. Funding	143
Appendix 5. Significance policy	146
Appendix 6. Process followed in preparing and reviewing these plans	149
Appendix 7. Key provisions of the Land Transport Management Act (LTMA)	155
Appendix 8. Legislative compliance	158
Appendix 9. Summary of changes to projects in the initial 2015 – 2021 RLTPs	160

List of Tables

Table 1: Top priority projects proposed in Otago Southland, 2018-2021	18
Table 2: Estimated cost of activities subsidised by NZTA in Southland region, 2018-2021 ..	20
Table 3: Estimated cost of activities subsidised by NZTA in Otago region, 2018-2021	21
Table 4: Percentage of people travelling to work by a particular mode	24
Table 5: Present and projected population of the Otago and Southland regions.....	29
Table 6: Present and projected population for territorial authorities in Otago and Southland	29
Table 7: Projected population for urban areas in Otago and Southland	30
Table 8: Projected population growth for fastest growing urban areas in Otago and Southland, in percentage terms compared to 2013.....	31
Table 9: Expected growth in Queenstown Lakes District (the high growth scenario)	32
Table 10: Fatalities and injuries, by year, in Otago and Southland regions, 2013-2016	42
Table 11: Projects in Southland region, with NZTA funding already approved.....	64
Table 12: Projects in Otago region, with NZTA funding already approved	65
Table A: Transport planning projects – Southland, Activity Class 1	85
Table B: Road safety planning projects – Southland, Activity Class 2.....	86
Table C: Public Transport Services – Southland, Activity Class 4.....	87
Table D: Maintenance and Operations of Local Roads – Southland, Activity Class 8	88
Table E: Maintenance and Operations of State Highways – Southland, Activity Class 9	91
Table F: Local Roads Improvements – Southland, Activity Class 12	92
Table G: State Highways Improvements – Southland, Activity Class 13.....	94
Table H: Regional Improvements – Southland, Activity Class 20.....	96
Table I: Southland Ten Year Forecast	97
Table J: Transport Planning Projects – Otago, Activity Class 1	98
Table K: Road Safety Projects – Otago, Activity Class 2 - Road Safety.....	102
Table L: Walking and cycling – Otago, Activity Class 3.....	103
Table M: Public Transport Services – Otago, Activity Class 4.....	105
Table N: Maintenance and Operations of Local Roads – Otago, Activity Class 8	107
Table O: Maintenance and Operations of State Highways – Otago, Activity Class 9	109
Table P: Local Road Improvements – Otago, Activity Class 12	110
Table Q: New and Improved Infrastructure State Highways – Otago, Activity Class 13	113
Table R: Regional Improvements – Otago, Activity Class 20	118
Table S: Otago Ten Year Forecast	121
Table T: Footpath Maintenance, Southland and Otago combined	123
Table U: Other Potential Projects, Otago and Southland combined.....	126
Table V: Additional projects the RTCs wish to see delivered in 2018-2021.....	129
Table W: Unsubsidised expenditure 2018–2021.....	144
Table X: Assessment of compliance with S14 Land Transport Management Act 2003.....	158
Table Y: Southland changes to projects in the present 2015 – 2021 RLTP	160
Table Z: Otago, changes to projects in the present 2015 – 2021 RLTPs	164
