Matt KRAEMER

Independent

My principal place of residence is in the Dunedin Constituency area.

Fill up the buses to free up parking.

Matt Kraemer intends to use his voice on the regional council to set up a \$60 per month zone-free bus pass. This will make public transportation significantly cheaper than driving. Each newly filled bus seat will mean one less parked car and more foot traffic throughout the city.

Matt has lived in Dunedin since 2011 and has actively contributed to Playcentre, local kindergartens, and various sports teams. Moreover, he created 13 jobs and insulated 160 homes by founding his own insulation company here in Dunedin. Having grown up in a large desert city, Matt has a deep appreciation for long-term water security and the importance of cleaning and defending Dunedin's coastlines and rivers.

Fill up the buses to free up parking. Clean and defend the coastlines and rivers. Vote Matt Kraemer for Otago Regional Council.
