

Otago Regional Council
Dunedin Constituency
Electing 6 Regional Councillors

Michael DEAKER

My principal place of residence is in the Dunedin Constituency area.

Thank you for the opportunity to serve during the last 18 years.

If re-elected I will be as enthusiastic as ever about positive governance of the regional council's work; prudent use of its resources; and seeking sustainable prosperity for the whole Otago region.

I am keen to continue work with the ECO Fund, the new biodiversity strategy, and on more improvements to public transport, air quality, and our regional water plan.

A secure future for both Port Otago Ltd and the South Dunedin communities will be amongst my aims, as will be continuing to strengthen the council's partnership with Kai Tahu.

I support Dunedin being even more attractive and successful as a modern-industrial, tourism, heritage, knowledge-and-arts centre.

It will be a privilege to carry on working towards all these goals.
