

Otago Regional Council
Dunedin Constituency
Electing 6 Regional Councillors

Gretchen ROBERTSON

My principal place of residence is in the Dunedin Constituency area.

As a multigenerational Dunedin resident, Otago means the world to me. My family and I are active, outdoor people. Ensuring Otago's ecosystems, resources and unique experiences are

sustained is my passion.

It has been my privilege to serve Otago's community over the past 15 years. I have developed strong governance skills as Council's Deputy Chairperson and Chair of the Policy Committee. I am an experienced hearings commissioner chair and a voluntary board member for a large not for profit organization.

Enduring solutions need wide community involvement and transparent facts. With a background as a water quality scientist and community facilitator I understand key issues and foster collective action.

Although deliverables are as broad as buses to biodiversity, local government should be about empowering local people to find solutions together.

I believe I can bring experience, knowledge, community engagement and energy to this role.
