

Otago Regional Council  
Dunedin Constituency  
Electing 6 Regional Councillors

---

**Tony HUNTER**

My principal place of residence is in the Dunedin Constituency area.

Community engagement. Communication.  
Common Sense.

Tony Hunter will bring a strong emphasis on community engagement and communication, and will support common sense decision making around the Council table.

Many of you will know Tony Hunter through his proud history as a teacher and school principal to thousands of young people here in Otago and Southland over the past 40 years.

The current Principal of Tahuna Intermediate School in Dunedin, Tony was recently at the forefront of engaging with the Otago Regional Council to seek a better service for bus users on the Otago Peninsula.

That process proved to Tony that common sense outcomes can come to the communities who need them, however he can see clear areas where the Council can improve its engagement and communication.

Tony aims to increase the positive role the Otago Regional Council plays to all of us who call this great place home.
