

Otago Regional Council
Dunstan Constituency
Electing 3 Regional Councillors

Phill HUNT

Independent

My principal place of residence is in the Dunstan Constituency area.

With the support of my wife Lizzie, daughters Hillary and Fiona, I offer myself for election to the ORC. After a successful farming career in partnership with Lizzie, proving that both

productivity and environmental excellence can be achieved I now have the time to dedicate to Council and the community. I have proven past governance ability being Chairman of the Wanaka Show, Wanaka St John, Otago TbFree NZ and latterly Otago Federated Farmers.

With a good and practical knowledge of water issues (both quantity and quality), pest control planning, and RMA knowledge I am ready to have a positive influence at Council.

I am passionate about a sustainable region, this being a function of environmental, economic and social wellbeing.

Community engagement is essential in understanding before formulating and then delivering what our community needs to progress into the future.

I respectfully ask for your vote. Phill Hunt MStJ, BCom(Ag)
