

Otago Regional Council  
Molyneux Constituency  
Electing 2 Regional Councillors

**Robert HAMLIN**

My principal place of residence is in the Molyneux Constituency area.

I am a Senior Lecturer at the Otago School of Business with interests in agricultural marketing and business feasibility analysis. I have been active in local government issues within the

Dunedin area since 2007. My campaigning is based on detailed technical submissions and analytical leader articles in the Otago Daily Times and has aimed, with some effect, to keep local government spending under control. Keeping a calm but steady manner in the face of sometimes vitriolic opposition has been a valuable experience.

The Otago Regional Council's spending has increased faster than inflation recently, with little to show in return. There is a need within this Council for an elected representative who is equipped with the necessary determination and business analysis skills to deliver an accurate assessment when budgets are discussed - I'm that individual.

Along with my wife and son, my principal place of residence is in the Molyneux Ward. robhamlin1961@gmail.com.
