

OTAGO REGIONAL COUNCIL

HEARING OF RESOURCE CONSENT APPLICATION BY THE QUEENSTOWN LAKES DISTRICT COUNCIL

ERRATUM TO MINUTE #1 OF THE HEARING COMMISSIONERS

Introduction

1. On 3 September 2019 we issued Minute #1 for the application lodged by the Queenstown Lakes District Council (**the Applicant**) to discharge untreated wastewater to various receiving environments via overflows from wastewater infrastructure throughout the Queenstown Lakes district. The application is referenced as RM19.051.
2. That Minute outlined some preliminary matters in preparation for the hearing which is set down to commence at 9 am on Monday 4 November 2019.
3. Included in Minute #1 was a timetable for the pre-circulation of evidence (at paragraph 6 of Minute #1). Two of the specified dates in that timetable are incorrect as they do not account for Monday 28 October 2019 being Labour Day and public holidays are not counted as 'working days' under the Resource Management Act 1991. Accordingly, we issue this Erratum to Minute #1 to correct the dates in the timetable.

Erratum

4. The corrected timetable for pre-circulation of the above is as follows:

Time and Date	Action
12 pm (noon), 7 October 2019	Reporting officer's section 42A RMA report due
12 pm (noon), 21 18 October 2019	Applicant to provide briefs of <u>expert and non-expert</u> evidence
12 pm (noon), 28 25 October 2019	All submitters to provide briefs of <u>expert</u> evidence (if calling any expert witnesses – refer Paragraph 7 of Minute #1 dated 3 September 2019)

DATED 11 September 2019
