ORC MOLYNBUX CONSTITUENCY

and make the following return of all electoral expenses incurred by me or on my behalf at the election and of all electoral donations made to me or to any person on my behalf.

Notes and Definitions of Donations and Expenses:

1. All candidates in elections held under the provisions of the Local Electoral Act 2001 must file a return of electoral donations and expenses. If no donations were received or expenses incurred, a Nil return must be made.
2. All candidates are required to keep proper records of donations received and expenses paid for election work. These do not have to be filed with this return but must be available to support enquiries about the return if required.
3. Donations can be monetary or physical goods or services supplied or a combination thereof.
4. Donations to a candidate of labour only or donations of goods and services that have a fair market value of \$300 or less do not have to be declared – see S103A of the LEA 2001.
5. Candidates must declare donations from each contributor that exceed \$1500 in value. Where a contributor has made donations in instalments that sum to more than \$1500 in value, each contributing donation needs to be listed in Section A2 and the aggregated sum shown.

Good Morning Kate,

Hope you are having a good week.

I'm just emailing in regards to our upcoming Meet The Candidates feature which will be published as a pull-out tabloid in the Clutha Leader on 19 September.

This will be a editorial strip consisting of no more than 200 words and will include a head-and-shoulders shot of yourself and will be a good way of profiling yourself and telling the voters why they should vote for you.

The price is \$185 + gst for a 17cm x 7.8cm size advert. I have included a flyer which has more information about this feature and package prices.

Please do let me know if you are interested.

Looking forward to your reply.

Thank you again
