Each member of the Regional Transport Committee is expected to report back to their own organisations following each Regional Transport Committee meeting or workshop on matters discussed at those Committee meetings, and with particular reference to the RLTP. A briefing paper will be produced by the Regional Council for distribution to stakeholders and to assist members with their report back responsibilities.

Terms of Membership

Should a vacancy occur in the membership of the RTC, the Committee Secretary shall report this to the next meeting of the Council, which shall then invite the nominating organisation to nominate a replacement.

Quorum and Voting Rights

An Otago RTC meeting cannot proceed unless five committee members are present, at least one of whom must be representative of the regional council and no more than one to be an alternate representative.

No voting will occur unless there is a quorum of committee members from those organisations allowed to vote on these matters.

The Chairperson has a deliberative vote and in the case of an equality of votes does not have a casting vote. Clause 24 of the 7th Schedule of the Local Government Act otherwise applies to voting.

The purpose of encouraging each organisation to have alternates is to ensure that each of the organisations involved in the RTC (the TAs, Waka Kotahi NZ Transport Agency and the regional council) is able to bring their organisation's view to the table and to report back the outcome to their organisation.

Each organisation (i.e. the regional council, Waka Kotahi NZ Transport Agency and each district/city council) is therefore encouraged to have alternative representatives to act as a replacement should the appointed representative be absent from a meeting.

Alternates will count towards a quorum but do not have voting rights.

Delegated Authority – Power to Act

The Regional Transport Committee:

1. Does have the ability to appoint a panel to hear RLTP, submissions, working parties, advisory groups and, where there is urgency or special circumstances, a sub-committee to deal with any matters of responsibility within the Committee's Terms of Reference and areas of responsibility, and to make recommendations to the Committee on such matters, provided that a sub-committee does not have power to act other than by a resolution of the committee with specific limitations;
2. Does have the ability to make decisions in accordance with the Terms of Reference and the *Land Transport Management Act 2003*.

Power to Act (for the information of Council)

The Regional Transport Committee has the power to:

2. prepare and recommend variations to the Regional Land Transport Plan that trigger the RTC's significance policy;
