#### PURPOSE

[1] For Councillors to consider adopting an Otago Regional Council Recruitment and Appointment Policy (Governance) to inform future governance appointments.

#### **EXECUTIVE SUMMARY**

- [2] On 24 June 2020, Council directed the Chief Executive to prepare a policy covering governance appointments.
- [3] A draft Otago Regional Council Recruitment and Appointment Policy (Governance) is attached for Councillors consideration. The policy is based on best practice Human Resource guidance.

#### RECOMMENDATION

That the Council:

- 1) **Receives** this report.
- 2) Adopts the attached Otago Regional Council Recruitment and Appointment Policy (Governance).
- *3)* **Notes** that the Policy includes Guidelines for the Appointment of Directors to Port Otago Limited.
- 4) Approves that Guideline:
  - a) including guidance on Director residency in New Zealand, or
  - b) excluding guidance on Director residency in New Zealand and included in Port Otago's Constitution
- 5) **Notes** that the Policy also includes guidance for the Appointment of an Independent Member to the Subcommittee Audit and Risk.

#### BACKGROUND

[4] Following the Council's recruitment process in June 2020, councillors asked for a Recruitment and Appointments process to be prepared for consideration and adoption to support future processes.

Governance, Communications and Engagement Committee 2020.09.10

#### ISSUE

[5] An Otago Regional Council Recruitment and Appointment Policy (Governance) is attached for discussion.

#### **OPTIONS**

[6] Councillors can adopt the proposed Policy or recommend changes before adoption.

Port of Otago Directors

- [7] Council considered a revised draft of Port Otago's Constitution at the Finance Committee meeting on 26 August 2020. That draft removed the existing Constitution requirement for three Director's to ordinarily reside in New Zealand.
- [8] Staff have clarified the rationale for this was that this requirement was better dealt with in a separate policy or guideline rather than in the Constitution itself.
- [9] Staff agree with this approach and have included the residency guidance in the Guidelines appended to the Recruitment and Appointment Policy (Governance).
- [10] It should be noted that under clause 9.1 of the Port's Constitution, Council has the power to appoint or remove a Director at any time. Having the residency requirement in the guidelines allows Council to choose what action it takes.
- [11] If Council remains of the view residency should sit in the Constitution, it can be removed from the attached Policy and included in the Constitution which will be presented to Council for final approval on 30 September.

### CONSIDERATIONS

#### **Policy Considerations**

[12] This policy, if adopted, would inform the recruitment and appointments made by governance in the future.

#### **Financial Considerations**

[13] There are no additional financial implications for adopting this policy.

#### Significance and Engagement

[14] Not applicable.

#### **Legislative Considerations**

[15] This policy follows New Zealand employment legislation.

#### **Risk Considerations**

#### Introduction

The Otago Regional Council is committed to a fair and transparent recruitment and selection process, with appointments based on merit in order to attract and retain appropriately skilled and qualified appointees.

#### Scope

This Policy applies to the appointment process for all recruitment undertaken by Council for the Chief Executive, independent members of Council Committees and board members for Port Otago and any other Council owned organisation.

#### **Policy Statement**

The Otago Regional Council (Governance) recruitment and selection process is based upon fairness, transparency, equal employment opportunities and individual merit.

In order to achieve this, the Council will:

- Act on the principle of a merit-based process.
- Ensure the Council's commitments to Equal Employment Opportunities and diversity and inclusion are upheld throughout the recruitment and selection process.
- Ensure that to the best of its ability, whilst maintaining candidate confidentiality, the Council will undertake a transparent process for every appointment.
- Act efficiently and effectively, maintaining best practice throughout the process, ensuring candidates are kept well-informed and corresponded with in a timely, respectful and informative manner.

#### **Legislative Requirements**

All stages of the recruitment process will abide by the parameters of the below legislation:

- Employment Relations Act 2000
- Human Rights Act 1993
- Immigration Act 2009
- Privacy Act 1993
- Local Government Act 2002

Consistent with the expectations of a public-sector employer, ORC will commit to, where-ever practicable, notifying those reasonably qualified to undertake the position of the vacancy, so that a fair and impartial selection process may be undertaken.

As a commitment to the obligation to reasonably notify, Council has set a minimum requirement for advertisement of all recognised vacancies that are to be filled. Parameters for this are indicated as below:

| Tenure                             | Minimum Advertising Period |
|------------------------------------|----------------------------|
| Permanent, Full-time Vacancy       | 5 days                     |
| Fixed-Term [greater than 3 months] | 3 days                     |
| Fixed-Term [less than 3 months] or | No minimum period applies  |
| casual                             |                            |

#### **Conflicts of Interest**

Council is committed to the minimisation of potential conflict of interest situations as they may arise. We require the disclosure of any interest(s) which may give rise to a potential or perceived conflict of interest situation to be notified to the Chair and Chief Executive [in the case of the appointment process for the Chief Executive, only the Chair shall be notified] in a timely manner.

For further information, please refer to the Otago Regional Council Code of Conduct, available online.

#### Confidentiality

During the recruitment process it is expected that the Council will be reasonably provided with all relevant information as it relates to the candidate in the role they are applying for. If a candidate is successful in their application, this information will be stored confidentially. It is expected that strict confidentiality be maintained by all parties from the outset and throughout the recruitment process.

#### Interview

Interviews are traditionally seen as the most effective means of determining suitability of a candidate in the role they are applying for. In addition to the interview, testing may also be carried out as appropriate for any given role. There are a number of avenues available for testing, such as competency based, psychometric, 360 review and panel presentations. It is important to remember that not all tests are well suited to all roles, and as such testing will be undertaken on an 'as and when required' basis. Although testing is not a requirement of a robust process, it is essential that interviews are carried out for all vacancies, with written notes recorded in all instances. Interview notes for unsuccessful candidates must be returned to and retained by the Committee Secretary at the conclusion of a recruitment process and will be kept for audit purposes for a period of 6 months.

#### **Referee Checking**

As the final step in any recruitment process, referee checks must be undertaken for the preferred candidate. In recognition of the differing sources of applications, the following minimum standards apply to all appointments:

| Origin of Candidate                                   | Minimum Number of Referee Checks |
|-------------------------------------------------------|----------------------------------|
| External to the Organisation [not a current employee] | Тwo                              |
| Internal Applicant [current ORC staff member]         | One                              |

Referee checks must be undertaken <u>only</u> with the referees provided by the candidate during the recruitment process and their prior written permission to contact said referees must be provided before any checks are undertaken.

Undertaking checks with referees not named by the candidate, or undertaking checks prior to obtaining candidate consent, will likely constitute a breach of privacy.

**Delegations of Authority (Appointment Process)** 

3

ORC Recruitment and Appointment Policy (Governance)

#### **Appendix A: Recruitment Procedure**

#### **Role Scoping**

1. When a vacancy is identified, prior to commencing the recruitment process, the position or role should be adequately scoped to define its duties, responsibilities, and required outcomes. Usually this is captured in the form of a position description (PD) or role description/overview. This task should be undertaken by the person(s) who have the strongest understanding of the position. Councillors can request assistance from the Chief Executive, General Managers, or a recruitment specialist to assist with this. Available budget for the role, and recruitment, should also be confirmed.

#### Approval

2. Once a written description of the role has been formulated and agreed by the relevant Committee, Working Group, or Council, the process for recruitment should be agreed with the same group. The Chair of the Committee, Working Group, or Council is the person with the delegated authority to approve the commencement of a recruitment process.

#### **Panel Establishment**

**3.** Once a role is approved for advertising, a panel should be established to review applications and take part in the interview and selection process. The panel should consist of no less than two stakeholders: this could include Councillors, appropriate staff (Chief Executive or General Manager) or other stakeholders. The panel should have a named Chair, and each individual's role on the panel should be clear (i.e. decision maker, advisor, support).

#### Sourcing Strategy

4. The panel in the recruitment process should meet to discuss the preferred sourcing method. This may be an internally managed process whereby an advertisement will be placed on the ORC public website and/or printed advertisements placed in local/national papers (for example the appointment of an independent member of Audit and Risk Subcommittee in February 2020) or an externally managed process whereby the full process is managed by one of ORC's partner recruitment agencies (including advertising) (for example the recruitment of a Director for Port Otago in June 2020). Available budget should also be confirmed.

#### Advertising

5. Once the sourcing strategy is agreed, an advertisement for the role should be drafted and approved by the Chair of the panel. If the process is to be managed externally, the agency will draft the advertisement. Once the advertisement is approved, it will be posted to the agreed advertising mediums (online, print) for a time period of usually between two to four weeks.

#### **Management of Applications**

6. During the process, candidates will apply using the application process specified in the advertisement. If the recruitment process is being managed externally (by an agency partner), candidates will apply directly to them. It is imperative that all applications are treated in strict confidence. If the process is being managed internally, a process should be

5

ORC Recruitment and Appointment Policy (Governance)

agreed with the Chair of the panel as to how the applications will be distributed to the panel.

#### Shortlisting

7. Once the advertising process is complete, the panel should meet to undertake shortlisting<sup>1</sup>. Shortlisting should be undertaken using the specific parameters set down in the position or role description to ensure shortlisted candidates meet the required criteria and that the process for each candidate is fair and equitable.

#### Interview

- 8. Once a suitable shortlist is agreed upon, candidates should be invited to the first interview. Candidates should be given no less than 48 hours' notice of the interview, be advised of who will be on the assessment panel, the expected timing of the interview, and where it shall take place.
- **9.** During interviews, candidates should be subject to the same set of questions to ensure an equitable process. A set of template competency-based questions is available for use.

#### **Identifying a Preferred Candidate**

**10.** Once interviews are completed, and after suitable time for panel reflection, the panel should reconvene to decide upon one or two preferred candidates to progress with. This should be based on the quality of the application and the performance at interview.

#### **Referee Checking**

11. Once one or two preferred candidates have been identified, referee checks should be completed. Prior to any contact being made with the candidate's nominated references, their written approval to conduct the checks must be obtained. Checks should only be undertaken with the referees nominated by the candidate. Checks with other parties not named by the candidate, and without their permission, should not be undertaken under any circumstance. To do so may constitute a breach of privacy.

#### Appointment

- 12. Once referee checks are undertaken (and in the case of two preferred candidates, where the top candidate has been identified and agreed), a recommendation should be made to the Council to approve the appointment. This should be via a Public Excluded paper that confirms the policy and guidelines were followed in the appointment process, the appointee's CV and any other useful information the panel would like to include.
- **13.** Once the appointment has been approved, the Chair of the panel should prepare an offer for the candidate with technical support from staff (either Legal in the case of a contract for services, or HR in the case of an employment agreement). This will include agreed terms of contract (such as hours of work) and remuneration/benefits payable.

#### Offer

**14.** Once the appointment documentation has been prepared and approved, a verbal offer should be made to the preferred candidate. This should be in person or via phone, followed

6

<sup>&</sup>lt;sup>1</sup> If an external agency partner is used, they may undertake the initial shortlisting on behalf of the Client (ORC).

ORC Recruitment and Appointment Policy (Governance)

by hard (or electronic) copies of the employment documents being provided. Note: *a verbal* offer is legally binding and as such proper authority to make such an offer should be obtained before any phone call is made.

#### Offer Acceptance

**15.** Upon return of the signed employment documentation, the offer is deemed formally accepted and the employment relationship is established.

#### **Communication with Unsuccessful Candidates**

16. At any stage during the process, if it becomes apparent that any candidate will not be considered further for the position (for example, after the initial shortlist or following the first interview), they should be notified as such by the panel Chair at the earliest possible convenience. Transparent and respectful feedback should be provided as to why the application will not be considered further.

- [4] Following the completion of the March funding round a survey was sent to all applicants, both successful and unsuccessful. A total of 28 responses were received. Feedback was received on criteria for funding, administration of the process and the amount of funding available.
- [5] No further changes are suggested for the administration of the ECO Fund in the 2020/21 year. The fund will be reviewed as part of the current Long Term Plan process. Administration of the fund in the 2020/21 year will be undertaken by the Biosecurity and Rural Liaison team with reports being prepared for the Implementation Committee.

## BACKGROUND

- [6] The ECO Fund (Environment. Community. Otago.) was launched in July 2018 and was developed following a review of Otago Regional Council's (ORC) previous fund, the Environmental Enhancement Fund. The ECO Fund's purpose is to support community driven projects that protect, enhance and promote Otago's environment. As a point of difference from other community funds, the ECO Fund supports not only shovel time, but also administration time.
- [7] The fund has \$250,000 per annum, which is split evenly across two funding rounds: 1-20 March and 1-20 October. Applications are split into two categories: those requesting funds over \$5,000 and those requesting funds under \$5,000. Applications under \$5,000 require less detail in the application and fewer requirements in their report back to ORC.
- [8] The process for deciding which applications will receive funding is as follows:
  - a. Applications are reviewed by a staff panel.
  - b. Applications and staff recommendations are then considered at a Councillor decision panel. The Councillor decision panel consists of Cr Michael Deaker as the Chair, with three other Councillors appointed on rotation.
  - c. Recommendations from the Councillor decision panel are brought to a Council meeting for final sign-off.
- [9] During the 2018/19 ECO Fund Review a number of recommendations for changes to the process were made and have subsequently been actioned by staff. These included:
  - a. Change the frequency and timing of funding rounds from three rounds per year to two, in March and October.
  - b. Keep the funding level at \$250,000 per year.
  - c. Hold annual functions for successful applicants.
  - d. Adapt the ECO Fund's purpose to better align with ORC's priorities.
  - e. Amend the ECO Fund's terms and conditions.
  - f. Amend the ECO Fund's criteria.
  - g. Conduct annual reviews of the ECO Fund process.

## DISCUSSION

- [10] Across the three funding rounds (May 2019, October 2019 and March 2020) a total of 73 applications requesting \$1,043,308.09 were received. Thirty-six projects valued at \$301,370 were supported. A summary of the successful applications is included as Attachment 1.
- [11] During the two application rounds in the 2019-2020 financial year (the October 2019 and March 2020 rounds) there were 48 applications requesting \$703,776.21. Funding was approved for 25 projects valued at \$250,000.
- [12] Staff reviewed successful applications against ORC's four priorities. While some applications cover multiple priorities, they were categorised by the priority that most closely aligned with the project.

Governance, Communications and Engagement Committee 2020.09.10

- [13] Biodiversity received the largest proportion of funds when combining biodiversity and biosecurity projects (\$205,100). It should be noted that most biosecurity projects contribute to biodiversity, however the distinction is made to differentiate projects that focus on things such as trapping (biosecurity) from projects that focus on things such as trapping (biosecurity) from projects that focus on things such as planting (biodiversity). This is similar to the trends observed in the 2019 review. Water quality projects (\$101,000) received the next highest amount of funding across the projects supported. The balance of funding went to projects that aligned with climate change outcomes or 'other' outcomes such as soil health.
- [14] A summary of applications to the May 2019, October 2019 and March 2020 funding rounds by Territorial Authority area is shown in attachment 2. This compares applications and funding received, project types and population sizes by area. Three projects covered all of Otago so have not been attributed to any one area.
- [15] Biodiversity and biosecurity projects were present throughout the region, but some areas displayed special topics of interest. Dunedin is the only area to apply for climate change related projects. The Clutha area had a higher percentage of water quality projects and the Dunedin, Clutha and Queenstown Lakes areas all had multiple projects relating to waste and recycling which sit in the 'Other' category.

#### Survey of applicants

- [16] A survey was sent to all applicants from the three funding rounds covered by this report. The survey was emailed to applicants and was open for two weeks. The survey was anonymous and asked ten questions about the timing of the rounds, how people found out about the fund, what they liked and what they thought could be improved.
- [17] Twenty-eight responses were received equating to 38% of applicants. This is 16% increase in the response rate from the 2018/19 survey. Of the 28 responses, 18 were from successful applicants and 10 were from unsuccessful applicants.
- [18] Overall, the nature of responses could be categorised as positive. Common positive themes identified in the survey were:
  - a. availability of support for environmental projects
  - b. availability of support for communities
  - c. support received from ORC staff
  - d. the ability to fund administrative costs
  - e. the ease of applying
  - f. the versatility of the fund.
- [19] When asked for suggestions on improvements, respondents made the following comments
  - a. increasing the funding available
  - b. expanding the criteria of the fund
  - c. add a process to confirm receipt of applications
  - d. provide further feedback on unsuccessful applications
  - e. Staff to visit successful projects.
- [20] A majority of respondents said they found it easy to find information about the ECO Fund, with only two saying they didn't. The most common method for applying was by filling in the online form, followed by filling in a Word document.

Governance, Communications and Engagement Committee 2020.09.10

[21] A majority of respondents heard about the ECO Fund through word of mouth, including from ORC staff, Councillors and other organisations. Finding it online was the second most common, with a small number of applicants also found out about the fund through newspaper advertisements.

## **Promotional Opportunities**

- [22] An annual event for successful applicants and Councillors was planned for earlier in the 2020 year but was delayed due to COVID-19. Staff are exploring new dates for this event to take place.
- [23] Councillor visits to ECO Fund projects, as well as filming a promotional video, were scheduled for late March in Queenstown but this was also delayed by COVID-19. Other site visit opportunities have been communicated to Councillors and video opportunities have also been taken where possible .

#### PURPOSE

[1] To note the 2020/21 Local Government Members Remuneration Determination that applies from 1 July 2020, until 30 June 2021, made no changes to elected members' remuneration, allowances or fees.

## **EXECUTIVE SUMMARY**

- [2] The Remuneration Authority (the Authority) has undertaken its annual review of elected member's remuneration and issued its determination for local government elected members which applies from 1 July 2020 until 30 June 2021.
- [3] The Local Government Members (2020/21) Determination 2020, (the Determination), is attached for the information of Councillors. This Determination makes no changes to elected members' remuneration, allowances or fees for the 2020/21 year, it maintains them at their 2019 levels.
- [4] A second Determination (attached), the Local Government Members (Temporary Reduction COVID-19) Determination 2020 was made in response to COVID-19. Its stated purpose was to allow public sector leaders, including elected members of local authorities, to show leadership in the public sector during the COVID-19 outbreak and show solidarity with those in the private sector who were losing their jobs or facing significant pay reductions. This did not affect the Otago Regional Council, as the Chair at the time had committed alongside Otago Mayoral Forum members to donate 10 percent of her salary to local charities.

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination is deemed to have come into force on 1 July 2020 and expires on the close of 30 June 2021.

In summary, the determination makes no changes to local government elected members' remuneration, allowances, or fees in the year it covers, with the exception of a

few councils that changed their committee structures recently. For those councils the council governance pool is unchanged, but has been distributed slightly differently.

The mandatory criteria that the Remuneration Authority must have regard to when making a determination are listed in clause 7 of Schedule 7 of the Local Government Act 2002. In addition, section 18A of the Remuneration Authority Act 1977 requires the Authority to take into account prevailing adverse economic conditions. This is an important criterion at this time.

COVID-19 has created a rapidly changing environment that is having an immediate and unprecedented impact on the New Zealand economy. Although the precise impact is difficult to measure at this early stage, the Treasury recently published scenarios showing the possible economic impacts of COVID-19 on New Zealand under different circumstances. It is likely that economic and labour market figures and statistics published for the March 2020 quarter will largely reflect conditions before New Zealand went into the COVID-19 Level 4 lockdown, so the Authority will not know the extent of the downturn until the figures for the June 2020 quarter are published. Beyond that time, there could be other impacts within the year covered by this determination.

Taking these circumstances into account, the Authority has decided to maintain the remuneration, allowances, and hearing fees of local government elected members at their 2019 levels until the expiry of this determination.

However, the recently enacted Remuneration Authority (COVID-19 Measures) Amendment Act 2020 enabled the Authority to make a temporary reduction of up to 20% in the remuneration of those local government members who earn above \$100,000 per annum, as shown in this determination, for a defined period beginning on 9 July 2020 and ending on 6 January 2021 (*see* the Local Government Members (Temporary Reduction—COVID-19) Determination 2020).

Last year, the Remuneration Authority introduced 2 changes to the way in which local government remuneration is set. First, it adopted a set of revised and updated council size indices (one each for territorial authorities, unitary authorities, and regional councils), and, secondly, it decided to introduce a more locally responsive way of setting members' remuneration, which saw the introduction of a governance remuneration pool for each council. It should be noted that the remuneration of mayors, regional council chairpersons, and community board and Auckland local board members is not included in the second change. For more information on these changes, refer to the explanatory memorandum appended to the Local Government Members (2019/20) Determination 2019.

#### Governance remuneration pool table

The table below sets out the local government governance remuneration pools for councillors that will apply on and after 1 July 2020. Note that the Authority has maintained the governance remuneration pools for councillors at the same levels as the previous Local Government Members (2019/20) Determination 2019.

Explanatory memorandum

#### Explanatory memorandum

This memorandum is not part of the determination, but is intended to indicate its general effect.

This temporary reduction determination affects the Local Government Members (2019/20) Determination 2019 (the original determination).

This determination commences on 9 July 2020 and expires on 6 January 2021.

On 15 May 2020, the Remuneration Authority (COVID-19 Measures) Amendment Act 2020 (the **Amendment Act**) was passed. The purpose of the amendment Act, as outlined in its explanatory note, is to allow public sector leaders, including elected members of local authorities (mayors, deputy mayors, chairpersons, deputy chairpersons, and members), to show leadership in the public sector during the COVID-19 outbreak and to show solidarity with those in the private sector who are losing their jobs or facing significant pay reductions. Accordingly, the Amendment Act inserted section 19A into the Remuneration Authority Act 1977 to permit the Authority to reduce the remuneration for certain public office holders, including local government elected members (listed in Schedule 4A of the Amendment Act).

The remuneration of local government elected members is set according to the Remuneration Authority Act 1977 and the Local Government Act 2002 with the underlying premise to depoliticise the setting of their remuneration. The Authority is generally not permitted to make a determination that reduces existing elected members' pay and their remuneration must be paid according to the determination that is presently in force. However, section 19A overrides aspects of the legislative regime by permitting a capped reduction of elected members' remuneration by up to 20% for a period of up to 6 months.

In making this temporary reduction determination, the Authority has applied the existing criteria that it must take into account when setting the remuneration of elected members, which include taking account of any prevailing adverse economic conditions, fairness to the person whose remuneration is being determined, and fairness to ratepayers (*see* clause 7 of Schedule 7 of the Local Government Act 2002 and section 18A of the Remuneration Authority Act 1977). The adjusted remuneration payable to elected members as shown in the *Schedule* of this determination will apply on and from the day on which this determination comes into force until it expires.

In making its decisions on any deductions in elected members' pay, the Authority took account of the fact that many elected members are on relatively low rates of remuneration and decided that cuts would apply only to remuneration above \$100,000 per annum. The Authority is aware that elected members are easily identified in their communities, highly exposed to public opinion, and expected to show pro-active leadership. At the beginning of the Covid-19 crisis, many elected members publicly pledged to donate a proportion of their remuneration to local charities—some for several months. The Authority therefore invited those potentially impacted by its decision to provide confidential information to the Authority with details of any such donations they wished to have taken into account. Some took advantage of this and the

deduction was adjusted accordingly. For a variety of reasons, others indicated that they did not wish to provide information. The Authority's decisions were made on the basis of the information supplied.

On the day after this temporary reduction determination expires, the elected members' remuneration will revert to the amount payable under the original determination.
