## Draft Regional Public Transport Plan 2025-2035 Feedback

Unique ID

RPTP-0515

### Contact details

Name:

Shannon Hodson

Do you wish to speak to your  
submission at a public hearing?

No

### Topic 1: Are we focusing on the right things in the plan?

Do you agree that these focus areas  
capture Otago's public transport  
priorities?

No

### Topic 2: Should we support community transport services in smaller towns and rural areas?

**Our proposal:** we are considering the establishment of a subsidised community transport programme providing support for transport services in Otago's smaller towns and rural areas.

**What do you think about this proposal?**

Do you agree with ORC having a role  
in supporting community transport  
services?

Yes

### Topic 3: Should we increase our passenger fares?

**Our proposal:** we are considering increasing the base fare for adult Bee Card passengers from \$2 to \$2.50. This would effectively increase bus fares for all passengers using Bee Cards by 25%.

**What do you think about this proposal?**

**Should Council increase the adult Bee Card fare?**

No

## Topic 4: Should we charge more for longer trips?

**Our proposal:** we are considering introducing a zone fare system to our bus networks in Dunedin and Queenstown. Under this system, passengers travelling further distances across multiple zones will pay a higher fare than those travelling short distances within one zone.

**What do you think about this proposal?**

**Should Council charge more for longer trips?**

No

**Tell us more:**

I do not think children should be paying more to access schools in town - we as a society are already having high rates of children not attending school due to financial constraints please don't add bus costs to this

## Topic 5: Should we keep our free fares for children (5-12 years)?

**Our proposal:**

- A. Retain free fares (100% discount) for children (5-12 years), **AND**
- B. Standardise our concession discount for youth (13-18 years) to 40% across both the Dunedin and Queenstown networks. For example, if the adult fare is \$2, youth pay \$1.20, or if the adult fare is \$2.50, youth pay \$1.50.

**What do you think about this proposal?**

**Should Council retain free fares (100% discount) for children (5-12 years)?**

Yes

**Should Council standardise our concession discount for youth (13-18 years) to 40% across both the Dunedin and Queenstown networks?**

Yes

**Tell us more:**

I do not think children should be paying more to access schools in town - we as a society are already having high rates of children not attending school due to financial constraints please don't add bus costs to this

**Any other comments?**
