

## Managing Farm Waste including Composting of Dead Stock

**Facilitated by Dairy Farmer Trish Rankin**

Join us to explore practical ways to reduce on-farm waste, including the role of good waste management in Integrated Farm Planning.

Supported by:

- **Polly Brownlee** - ORC
- **Trish Hurley** - Resource Recovery Park

Hear **Melissa Gillespie** share the benefits of on-farm composting, with tips for setting up a system and managing risks.

**Tuesday 21<sup>st</sup> April**  
**10.30 - 12.30**  
**Weston Hall**  
**Lunch to follow**

**Go in the draw to win \$200 worth of on farm recycling signage**
