

pORPS 2021– Environment Court appeal point status table

Version dated 18 September 2025

Notes:

1. This table is based on the Appeals Table, which is on the Appeals Webpage maintained by the ORC in accordance with the Court’s Minute of 20 May 2024; and
2. The initial Appeals Table has been updated and corrected from time to time with the input of the parties; and
3. For the purposes of this table, the “*Interested parties*” column has been removed.
4. An additional column has been included to set out the status of the appeal points. There are seven categories colourer coded as follows:

- a. **Resolved** by Clause 16(2) of Scheule 1 of the RMA correction, or
- b. **Resolved** by Consent Order having been issued [*date and details of relevant consent order to be included*], or
- c. **Resolved** by withdrawal of appeal point; or
- d. **Resolved** by Mediation Agreement for MW – Mana Whenua dated 27 November 2024: appeal point will not be the subject of a consent order and will need to be formally withdrawn; or
- e. Will be the subject of a pending consent order [*name of relevant chapter / topic*]; or
- f. Will be the subject of a pending consent order [*name of relevant chapter / topic*] subject to the Glenpanel appeal; or
- g. **Not resolved**: will require a hearing.

5. Below is a list of all appeals on the non-freshwater provisions of the PORPS21:
