# Our vision for Otago

## **RESILIENCE**

## **CLIMATE**

## **ENVIRONMENT**

Otago builds resilience in a way that contributes to the wellbeing of our communities and environment through planned and wellmanaged responses to shocks and stresses, including natural hazards.

Otago is a climate resilient region that plans for and invests in initiatives that reduce emissions and help us adapt to our changing climate.

**TRANSPORT** 

**Our environment** and communities are healthy and connected ki uta ki tai (from the mountains to the sea).

Otago has an integrated transport system that contributes to the accessibility and reduces congestion and supports community wellbeing aspirations.
