Your feedback

Please give us your feedback on the changes to the Navigation Safety Bylaw 2020, as outlined in the Draft Navigation Safety Bylaw 2026. What would you change? What do you support or not support?

You have a problem. I purchased a vessel late last year, filled a mooring consent soon after, I was initially told the ORC would start getting things underway mid January, however it hasn't made much traction.

My vessel is now under anchor and would be deemed illegal under the new rules.

So if you want the honest truth, I've tried to do the responsible boaty thing, and its now the ORC who are putting the harbour at risk.
