Subject: RE: pORPS Appeals - Minute of the Court

UNCLASSIFIED

Hi Thea,

Judge Steven makes the following directions:

*ORC are to advise the Court by **Friday 19 September 2025** and in subsequent schedules whether, in relation to the appeal points depicted in the schedule, which:*

- 1. Are still subject to mediation;*
- 2. Will require a hearing; or*
- 3. Are the subject of a pending consent order.*

Colour coding the appeal points within the schedule may be a useful way of illustrating this moving forward.

P A Steven

Environment Judge
