

Project Name	Project Description	Project status
Aryburn Screen Hub	The Aryburn Screen Hub is a proposed production facility featuring two studios, accommodation, and supporting facilities and amenities. Environmental enhancement measures are proposed including significant water quality improvements, riparian planting, and improved cycling connections. For more information on this project please see: https://www.fasttrack.govt.nz/projects/ayrburn-screen-hub	
Bendigo-Ophir Gold Project	The Bendigo-Ophir Gold project is to establish and operate an open pit and underground gold mine on Bendigo and Ardour Stations in Central Otago. The project completion and remediation are expected in 2065. For more information on this project please see: https://www.fasttrack.govt.nz/projects/bendigoophir-gold-project	
Cardrona Valley Ski Gondola and Ski Area Development	The project is to establish on-mountain visitor accommodation, guest facilities and workers accommodation, and to establish and operate a high-speed electric passenger lift system to provide an access link from the Cardrona Valley to the Cardrona and Soho ski areas. For more information on this project please see: https://www.fasttrack.govt.nz/projects/cardrona-valley-ski-gondola-and-ski-area-development	
Clutha Pumped Hydro	The Applicant (Clutha Pumped Hydro Consortium Limited) seeks resource consent to construct and operate a large pumped hydro scheme at Lake Onslow in Central Otago. For more information on this project please see: https://www.fasttrack.govt.nz/projects/clutha-pumped-hydro	
Coronet Village	The project will comprise: a new transport hub improving access to Coronet Peak, a mountain bike facility, a restaurant at the summit of Coronet Peak, a facility for Te Tapu o Tane, a boarding high school, a primary school, a comprehensive subdivision up to 780 residential units, public roading and public wastewater infrastructure.	

	For more information on this project please see: https://www.fasttrack.govt.nz/projects/coronet-village	
Flint's Park Urban Intensification	The project includes the construction of 501 residential dwellings in a residential neighbourhood, around the existing heritage building that will contain a Neighbourhood Mixed-Use Centre and an automated cable way to access residential development of the lower slopes of Slope Hill. For more information on this project please see: https://www.fasttrack.govt.nz/projects/flints-park-urban-intensification	
Gibbston Village	The Gibbston Village project is a residential and commercial development project, including 900 dwelling units, a 2.4-hectare commercial area for day-to-day amenities, provision for a 3 hectare primary school for about 350 students and associated infrastructure. For more information on this project please see: https://www.fasttrack.govt.nz/projects/gibbston-village	
Homestead Bay	The Homestead Bay project is a residential development of 2800 residential units, subdivision, and development at the southern end of Queenstown. For more information on this project please see: https://www.fasttrack.govt.nz/projects/homestead-bay	
Kaihiku Wind Farm	The Kaihiku Wind Farm project is to construct and operate a wind farm that covers the ridgelines and hilltops of over a project area of 2000-hectares across ten properties halfway between Balclutha and Clinton in the Kaimihiku Range, and to connect and supply electricity to the national grid. For more information on this project please see: https://www.fasttrack.govt.nz/projects/kaihiku-wind-farm	

Macraes Phase Four	The Macraes Phase Four (MP4) project is for the staged expansion of the existing and future open pits and underground mining operations over parts of the 13,500hectare total site area at Golden Point Road, Macraes Flat, East Otago. For more information on this project please see: https://www.fasttrack.govt.nz/projects/macraes-phase-four-mp4	
Mahinerangi Wind Farm	The Mahinerangi Wind Farm project proposes to expand its current operation by constructing additional wind turbines, to connect and supply electricity to the national grid. For more information on this project please see: https://www.fasttrack.govt.nz/projects/mahinerangi-wind-farm	
Mt Iron Junction Housing Scheme	The Mt Iron Junction Housing Scheme project is a housing project in Wanaka proposing to establish 263 high density units. For more information on this project please see: https://www.fasttrack.govt.nz/projects/mt-iron-junction-housing-scheme	
Parkburn	The Applicant (Fulton Hogan Land Development Limited) seeks resource consent for a mixed-use urban development that will facilitate the rehabilitation of the existing Parkburn Quarry. It will provide for the staged creation of approximately 1,000 residential lots of varying densities, together with a local commercial centre, a potential primary school site and several reserves. For more information on this project please see: https://www.fasttrack.govt.nz/projects/parkburn	
Powerhouse Queenstown Development	The Applicant (Bowen Peak Limited) describes the project as an integrated development to construct and establish a three-stage aerial ropeway network, associated station infrastructure, a residential development, predator free sanctuaries, and tourism activities including a ski field on Bowen Peak, mountain bike park, walking trails, and a retail and hospitality precinct For more information on this project please see: https://www.fasttrack.govt.nz/projects/powerhouse-funicular-railways-queenstown-development	

Project East	The Project East project is to establish and operate two open ocean salmon farming areas, with each farming area being approximately 20 hectares. For more information on this project please see: https://www.fasttrack.govt.nz/projects/project-east	<pre> graph LR A((Listed)) --- B((Applied)) B --- C((Comments)) C --- D((Panel considering)) D --- E((Decision)) </pre>
Queenstown Cable Car	The Applicant (Southern Infrastructure (Cable Car) Limited) is seeking approvals for Stage 1 of a cable car system in Queenstown. The project is described as the establishment and operation of a mass rapid transit cable car network connecting central Queenstown with Frankton, Queenstown Airport and Ladies Mile. For more information on this project please see: https://www.fasttrack.govt.nz/projects/queenstown-cable-car	<pre> graph LR A((Referred)) --- B((Applied)) B --- C((Comments)) C --- D((Panel considering)) D --- E((Decision)) </pre>
Remarkables Ski Area Upgrade and Doolans Expansion	The project is to upgrade the Remarkables existing infrastructure and expand the existing Remarkables Ski Area into the adjacent Doolans Basin in Otago. For more information on this project please see: https://www.fasttrack.govt.nz/projects/remarkables-ski-area-upgrade-and-doolans-expansion	<pre> graph LR A((Referred)) --- B((Applied)) B --- C((Comments)) C --- D((Panel considering)) D --- E((Decision)) </pre>
Ridgeburn	A residential and commercial development on Morven Ferry Road, Arrowtown. For more information on this project please see: https://www.fasttrack.govt.nz/projects/ridgeburn	<pre> graph LR A((Referred)) --- B((Applied)) B --- C((Withdrawn)) C --- D((Applicant may reapply)) </pre>
Shannon Farm Residential and Commercial Extension	A master-planned development that would comprise residential lots, retail land and industrial land. For more information on this project please see: https://www.fasttrack.govt.nz/projects/shannon-farm-residential-and-commercial-extension	<pre> graph LR A((Referred)) --- B((Applied)) B --- C((Comments)) C --- D((Panel considering)) D --- E((Decision)) </pre>
Silver Creek	The Silver Creek project is to provide for residential development and subdivision enabling approximately 1,050 dwelling units across a 32 hectare of urban land zoned for development. For more information on this project please see: https://www.fasttrack.govt.nz/projects/silver-creek	<pre> graph LR A((Listed)) --- B((Applied)) B --- C((Comments)) C --- D((Panel considering)) D --- E((Decision)) </pre>

Southern Link Inland Port	A comprehensive logistics and freight hub at 270 Dukes North Road, Mosgiel. For more information on this project please see: https://www.fasttrack.govt.nz/projects/southern-link-inland-port	
Summerset Retirement Village - Mosgiel	The Summerset Villages - Mosgiel project is to construct and operate a comprehensive care retirement village, with 260 units on a 17-hectare project area of land. For more information on this project please see: https://www.fasttrack.govt.nz/projects/summerset-retirement-village,-mosgiel	
Te Pūtahi Ladies Mile – Simplicity Living Limited	This proposal seeks approval for a residential neighbourhood that combines higher-density living (approximately 1,100 residential units, including a mix of three storey walk-up apartments and apartment buildings of five to seven storeys), community facilities, transport infrastructure, public open space and a local shopping centre. The development site spans approximately 10 hectares and is located on the western end of Ladies Mile Highway. For more information on this project please see: https://www.fasttrack.govt.nz/projects/te-putahi-ladies-mile-simplicity-living	
The Hills Resort Development	The project is to construct and operate a golf resort, a 18-hole championship course, and construction of resort facilities, including visitor accommodation, staff accommodation and residential activities. For more information on this project please see: https://www.fasttrack.govt.nz/projects/the-hills-resort-development
