Name: Zephyr paterson

Do you wish to speak to your submission at a public hearing?

No

## Topic 1: Are we focusing on the right things in the plan?

Do you agree that these focus areas capture Otago's public transport priorities?

Yes

### Tell us more:

I think the buses in Dunedin have a lot of improvement that needs to be done, they aren't reliable currently. The bus hub in Dunedin could also use not only shelter but security, there is not enough shelter, this is Dunedin it rains 24/7.

## Topic 2: Should we support community transport services in smaller towns and rural areas?

**Our proposal:** we are considering the establishment of a subsidised community transport programme providing support for transport services in Otago's smaller towns and rural areas.

What do you think about this proposal?

Do you agree with ORC having a role in supporting community transport services?

Yes

Are there other initiatives or programmes that you think Council should be considering?

No

### Topic 3: Should we increase our passenger fares?

**Our proposal:** we are considering increasing the base fare for adult Bee Card passengers from \$2 to \$2.50. This would effectively increase bus fares for all passengers using Bee Cards by 25%.

**What do you think about this proposal?**

**Should Council increase the adult Bee Card fare?**

No

**Tell us more:**

The buses are already not worth the amount I pay

### Topic 4: Should we charge more for longer trips?

**Our proposal:** we are considering introducing a zone fare system to our bus networks in Dunedin and Queenstown. Under this system, passengers travelling further distances across multiple zones will pay a higher fare than those travelling short distances within one zone.

**What do you think about this proposal?**

**Should Council charge more for longer trips?**

Yes

**Tell us more:**

If it was oamaru, etc trips that would be fine

### Topic 5: Should we keep our free fares for children (5-12 years)?

**Our proposal:**

- A. Retain free fares (100% discount) for children (5-12 years), **AND**
- B. Standardise our concession discount for youth (13-18 years) to 40% across both the Dunedin and Queenstown networks. For example, if the adult fare is \$2, youth pay \$1.20, or if the adult fare is \$2.50, youth pay \$1.50.

**What do you think about this proposal?**

**Should Council retain free fares (100% discount) for children (5-12 years)?**

Yes

**Tell us more:**

Parents are already struggling as is don't make it harder for them

**Should Council standardise our concession discount for youth (13-18 years) to 40% across both the Dunedin and Queenstown networks?**

No

**Any other comments?**
