TAKE NOTICE that there is to be a sitting of the Environment Court as detailed below to hear the proceedings listed in the attached schedule.

The details for these proceedings are as follows:

COMMENCING: Monday, 23 November 2026

TIME: 10:00 AM

VENUE: Courtroom Two, District Court
36 Stanley Street
Queenstown
Ph: 0800 268 787

Time Allocated: 4 Days

If settlement is reached prior to the hearing, please notify the Court immediately.

1. SCHEDULING AND HEARING FEES

The scheduling fee is incurred when the proceeding is scheduled for a substantive hearing or any other application or proceeding (apart from an interlocutory application). The scheduling fee is not refundable if the hearing is no longer required.

The party bringing the proceeding is liable to pay hearing fees.

- For interlocutory applications, the first two days do not incur a fee. After the second day there will be a \$385 fee for each half-day or part half-day after that; or
- For all other applications, the first half-day is free. After the first half-day there will be a \$385 fee for each half-day or part half-day after that.

The fees must be pre-paid in accordance with the Resource Management (Forms, Fees and Procedure) Regulations 2003.

The time allocated by the Court provides an indication of your potential liability for Court hearing fees in this case.

2 PROCEDURES

At the start of the hearing, the Court will consider any requests to:

- (a) Withdraw proceedings
- (b) Adjourn (postpone) hearings to a later date
- (c) Approve settlements agreed to all by the parties

The Court will then decide the order in which the proceedings will be heard during the hearing.

Parties must advise the Court **immediately** if they want to:

- a) settle and/or withdraw proceedings in whole or in part, or
- b) request an adjournment, that is postponing the hearing of the proceedings, until a later sitting of the Court.

Parties should notify the Court of the settlement and/or withdrawal of proceedings as soon as possible as this will enable the Court to reallocate the hearing time if necessary.

The Court will only grant a request for adjournment if there is a good reason for doing so, even if all the parties have agreed to it.

If any party fails to:

- a) be ready to proceed with a hearing at the time arranged for it by the Court
- or**
- b) give adequate notice of withdrawal or settlement of proceedings

then the Court may order the party or parties to pay any costs and expenses incurred by the Crown or another party. This may happen where the hearing time allocated by the Court is not used.

3 EVIDENCE

The parties must (subject to any existing timetable order or direction of the Court):

Exchange no later than 10 working days before the date of hearing - all of the statements and evidence that will be produced to the Court at the hearing.
