2. The purpose of these directions is to:

6. The committee resolved to:
 - a. recommend that the Otago Regional Council ('the Council') approve the draft RPTP to go out for public consultation; and
 - b. recommend that the Council approve the preferred composition of the hearing panel, comprising three Regional Councillors.
7. These recommendations were adopted by the Council at its meeting on 19 March 2025, including nominations for the Hearing Panel.

2.2 Procedure and process

10. The hearings of submissions on the draft RTP will be conducted in person in the Council Chamber, Level 2, Philip Laing House, 144 Rattray Street in Dunedin on May 12, May 13 and May 14.  - b. Submitters who have indicated a wish to be heard will be invited to present their submissions;
 - c. The panel may ask questions to submitters to clarify matters raised
14. The Council officers report will be prepared to assist the Panel in its consideration of all submissions. It summarises the submissions received, provides relevant context, and sets out officers recommendations which may be used to inform the panels recommendations to the Council.
15. Submitters are encouraged to focus on key points of their submission rather than reading submissions verbatim. Presentation times are likely to be limited to 10 minutes, but should you need longer, please contact the hearings administrator to check availability for a longer time (hearingsadministrator@orc.govt.nz). Allocations will be confirmed when the hearing schedule is published.
16. Cross-examination will not be permitted and legal representation is not required.
17. The panel may adjourn and reconvene the hearing as necessary to complete its consideration of the matters before it.

2.3 Late submissions
